Class Motto

Happy are those who dream dreams and are ready to pay the price to make them come true.

L. J. Cardinal Suenens

Class Song

Life, so they say, is but a game and they let it slip away
Love, like the Autumn sun, should be dying but it's only just begun.
Like the twilight in the road up ahead, they don't see just where we're goin', and all the secrets in the universe, whisper in our ears and all the years will come and go and take us up, always up.
We may never pass this way again
We may never pass this way again
We may never pass this way again
Dreams, so they say, are for the fools and they let them drift away.
Peace, like the silent dove, should be flyin' but it's only just begun.
Like Columbus in the olden days, we must gather all our courage, sail our ships out on the open sea, cast away our fears and all the years will come and go and take us up, always up.
We may never pass this way again
We may never pass this way again
We may never pass this way again
So, I wanna laugh while the laughin' is easy,
I wanna cry if it makes it worthwhile.
I may never pass this way again, that's why I want it with you.
'Cause you make me feel like I'm more than a friend, like I'm the journey and you're the journey's end.
I may never pass this way again, that's why I want it with you.
We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again.

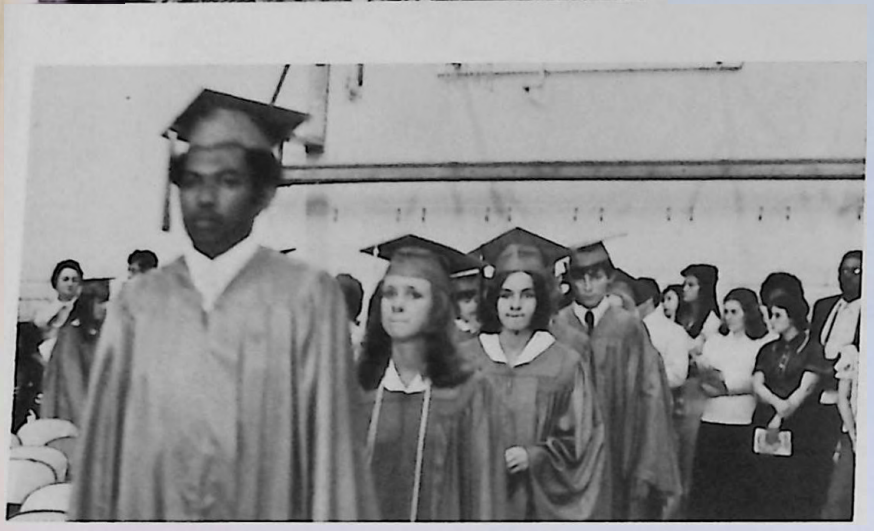
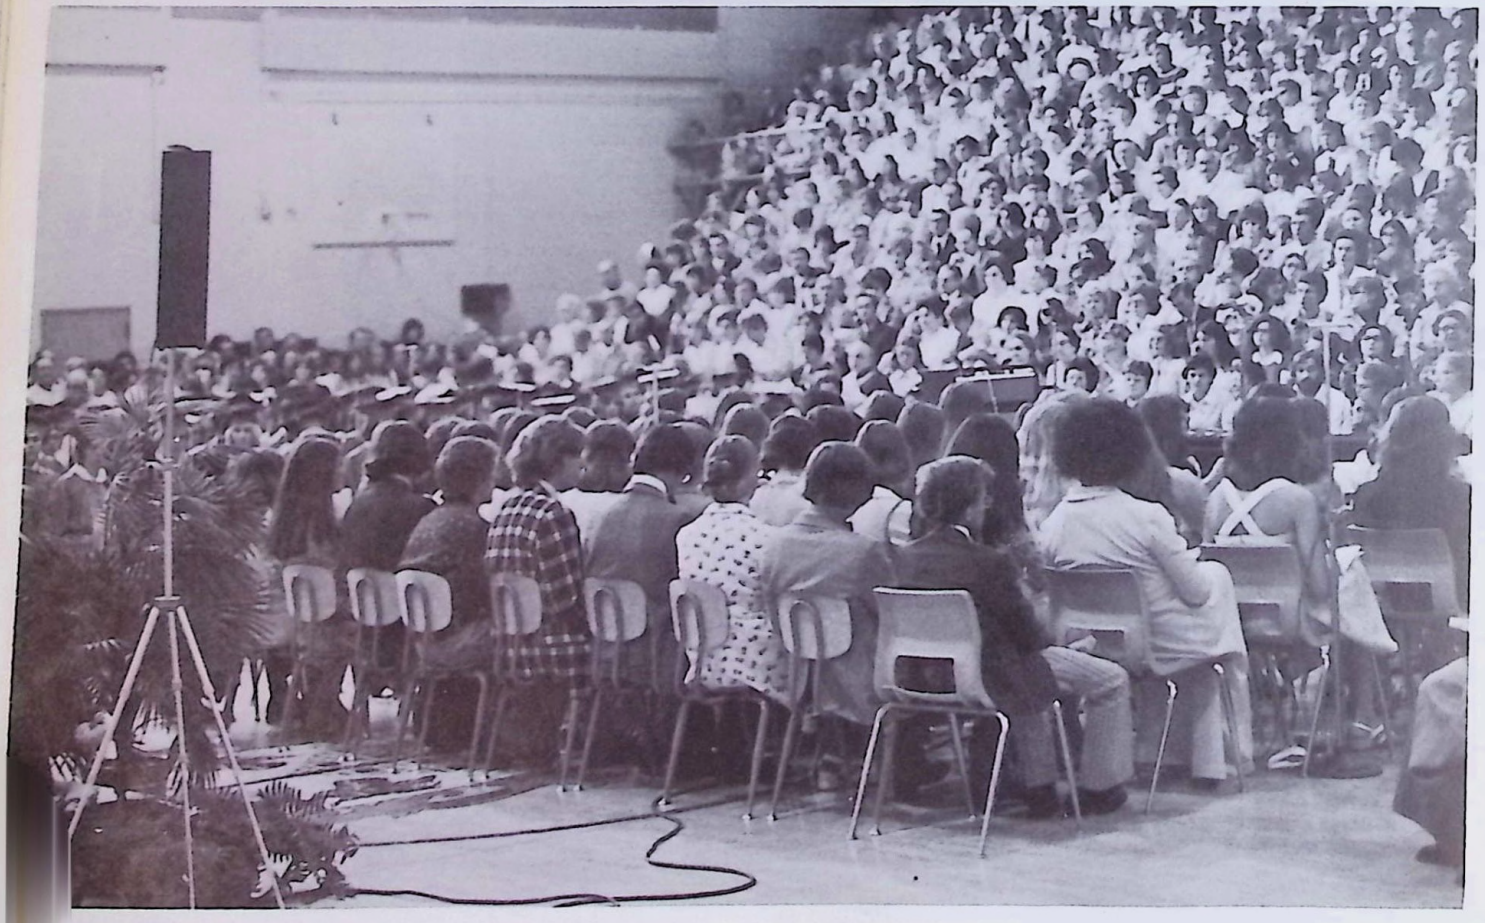
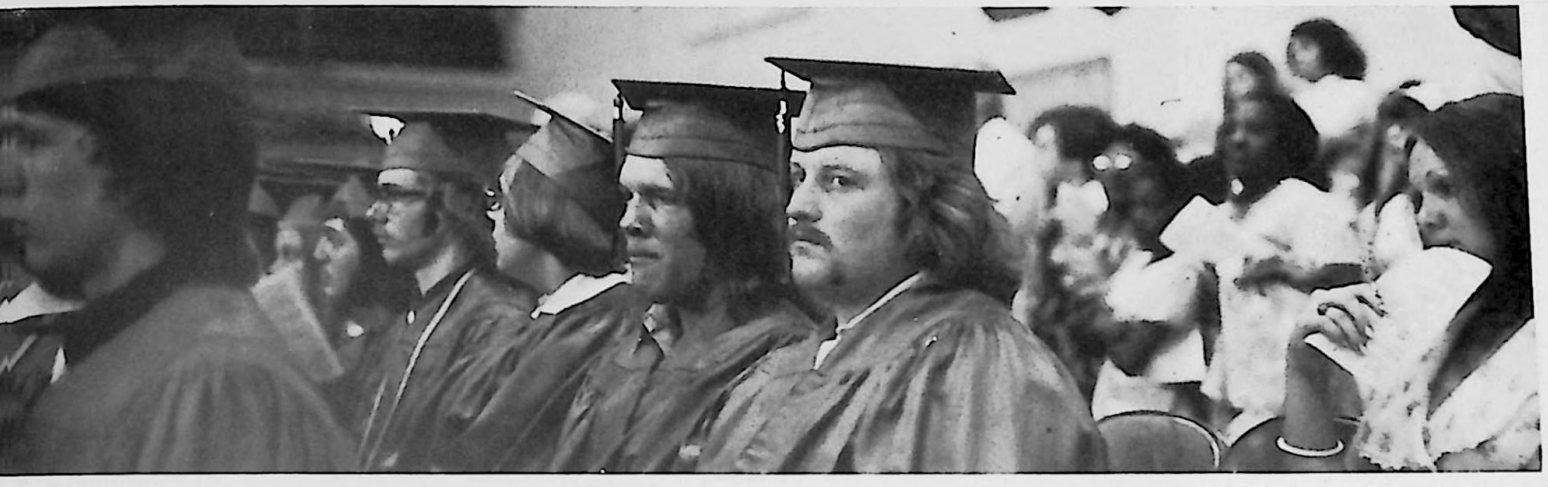
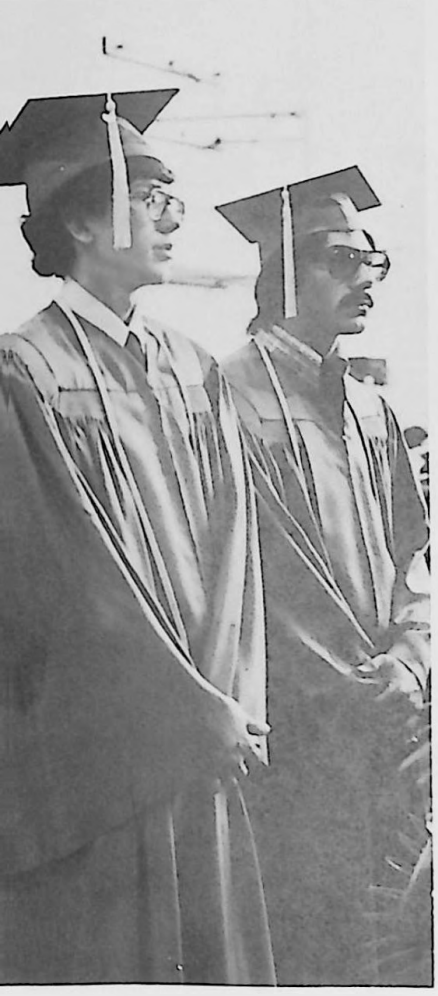
Sitting wondering what lies ahead. Southmoreland High School is like an old friend.

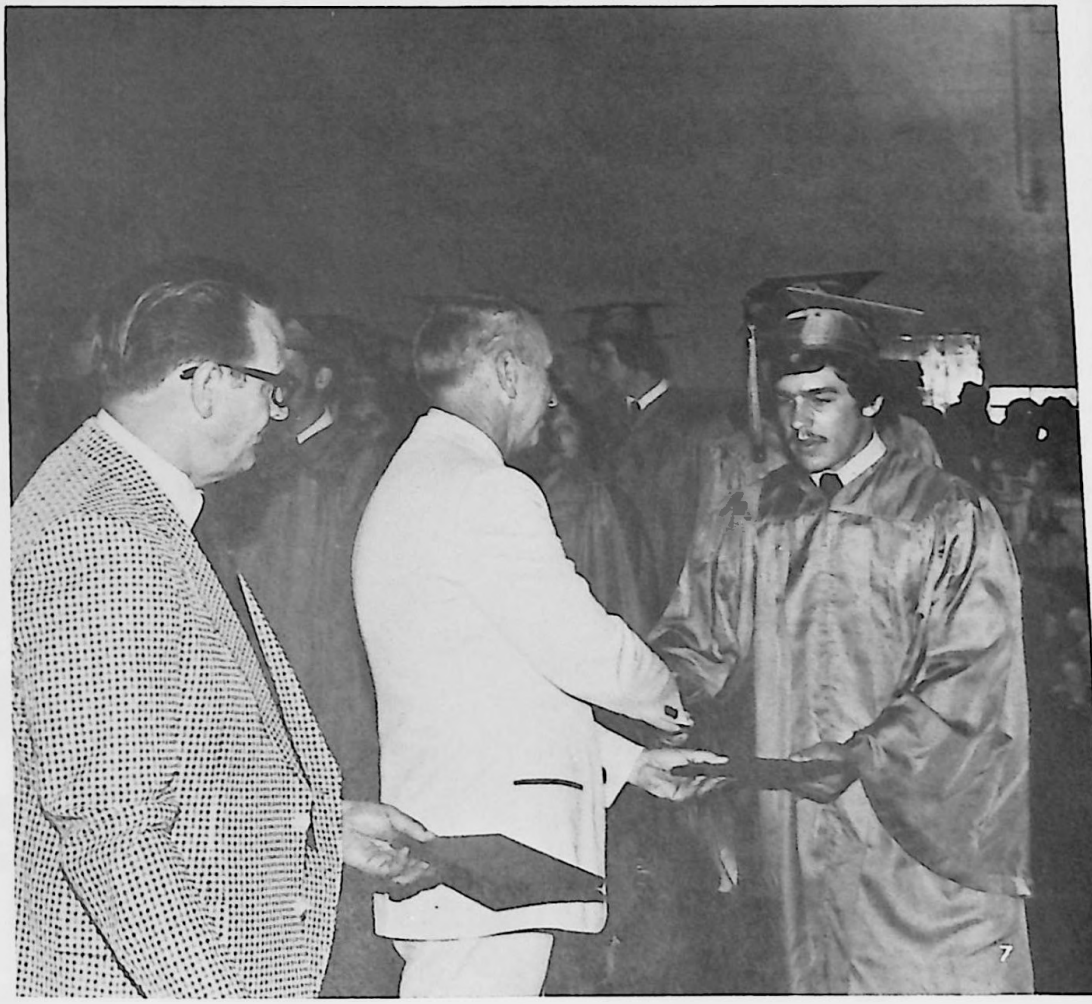


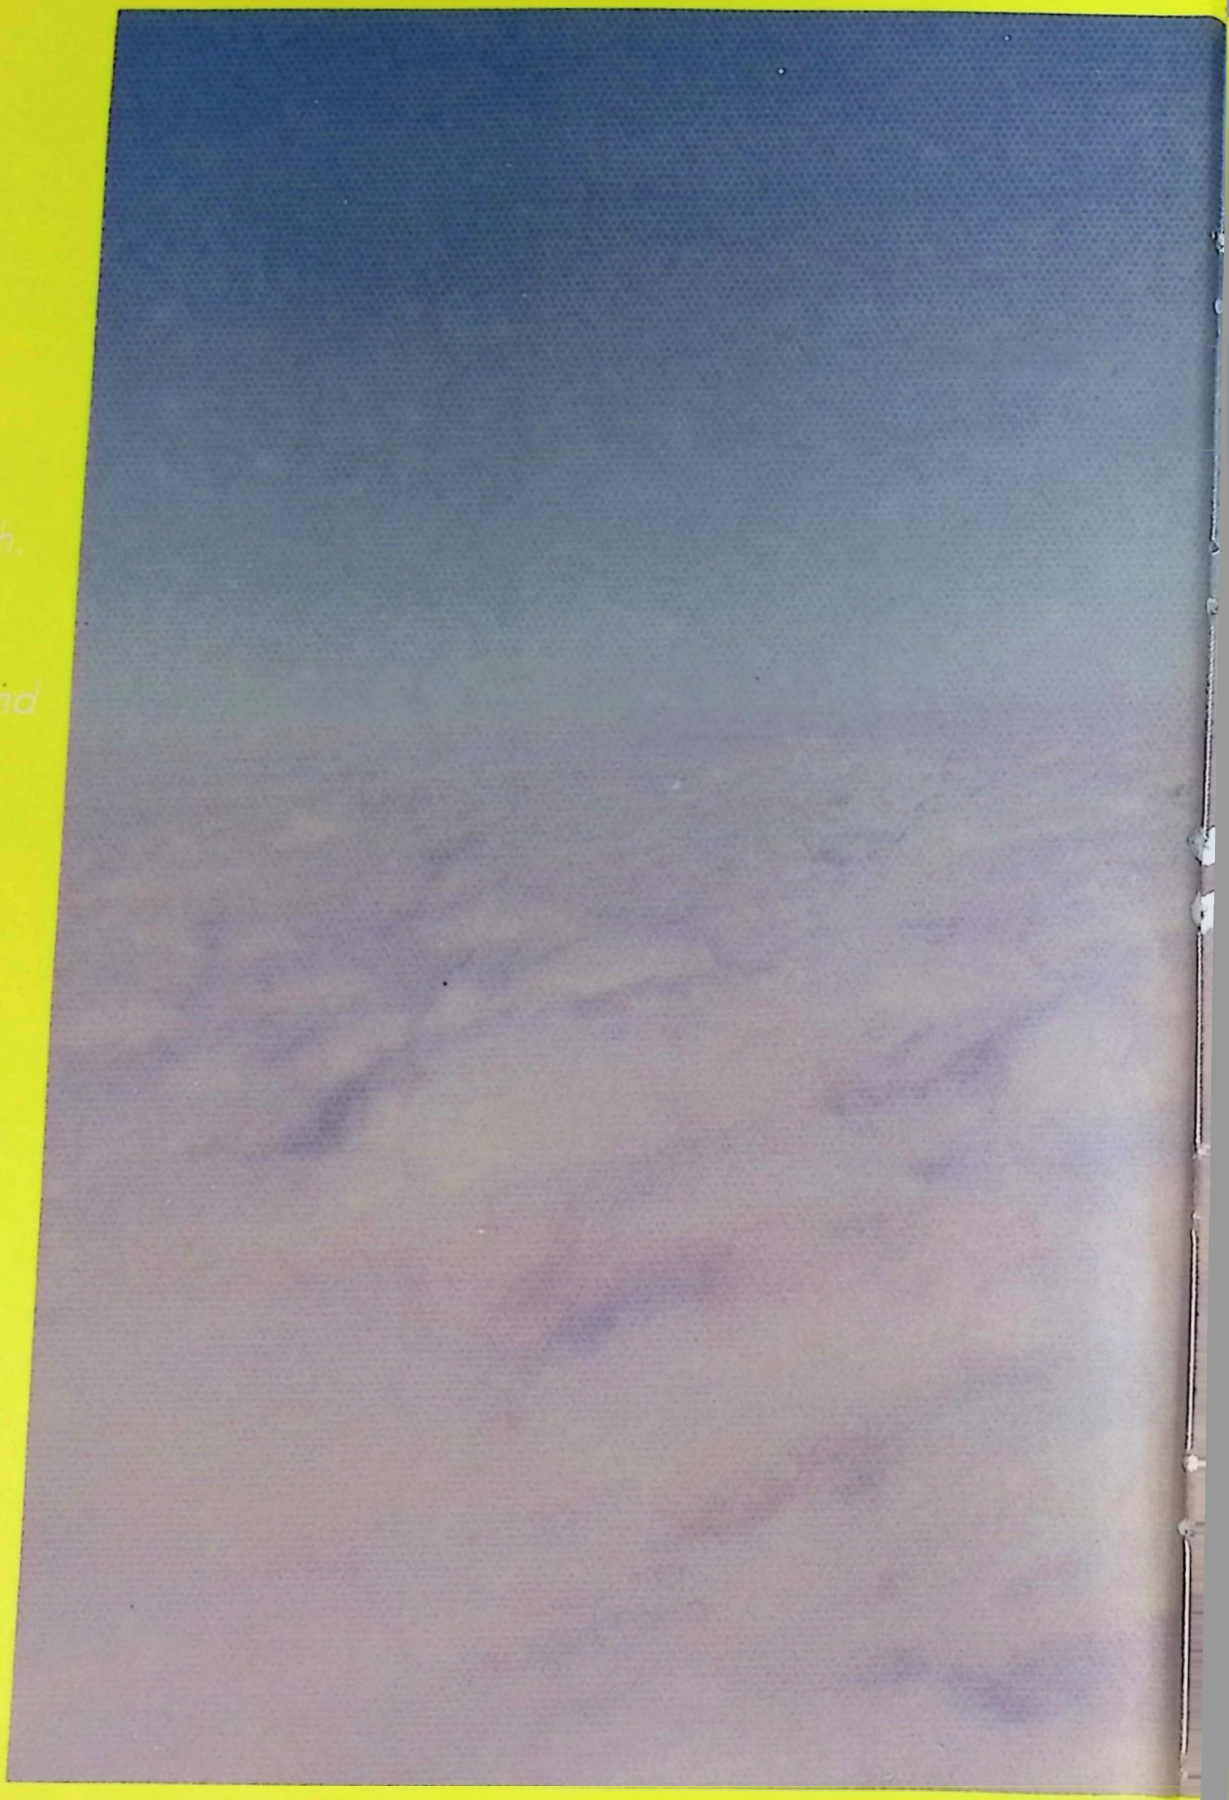


Getting a diploma and just movin' on . . . it's unbelievable it all started back in September.









. . . And a broken laugh, and a thousand memories, and not a single regret."

Therefore any good I can do

Let me do it now.
For I shall not pass this way again.

"To Be A Senior"

To know the finest things of earth;
To walk its face and know your worth;
To be a friend, to share a smile;
To make the time at hand worthwhile;
To lift your voice and shout a cheer;
To bow your head and shed a tear;
To give yourself, to take a part;
Extend a hand, and reach a heart.

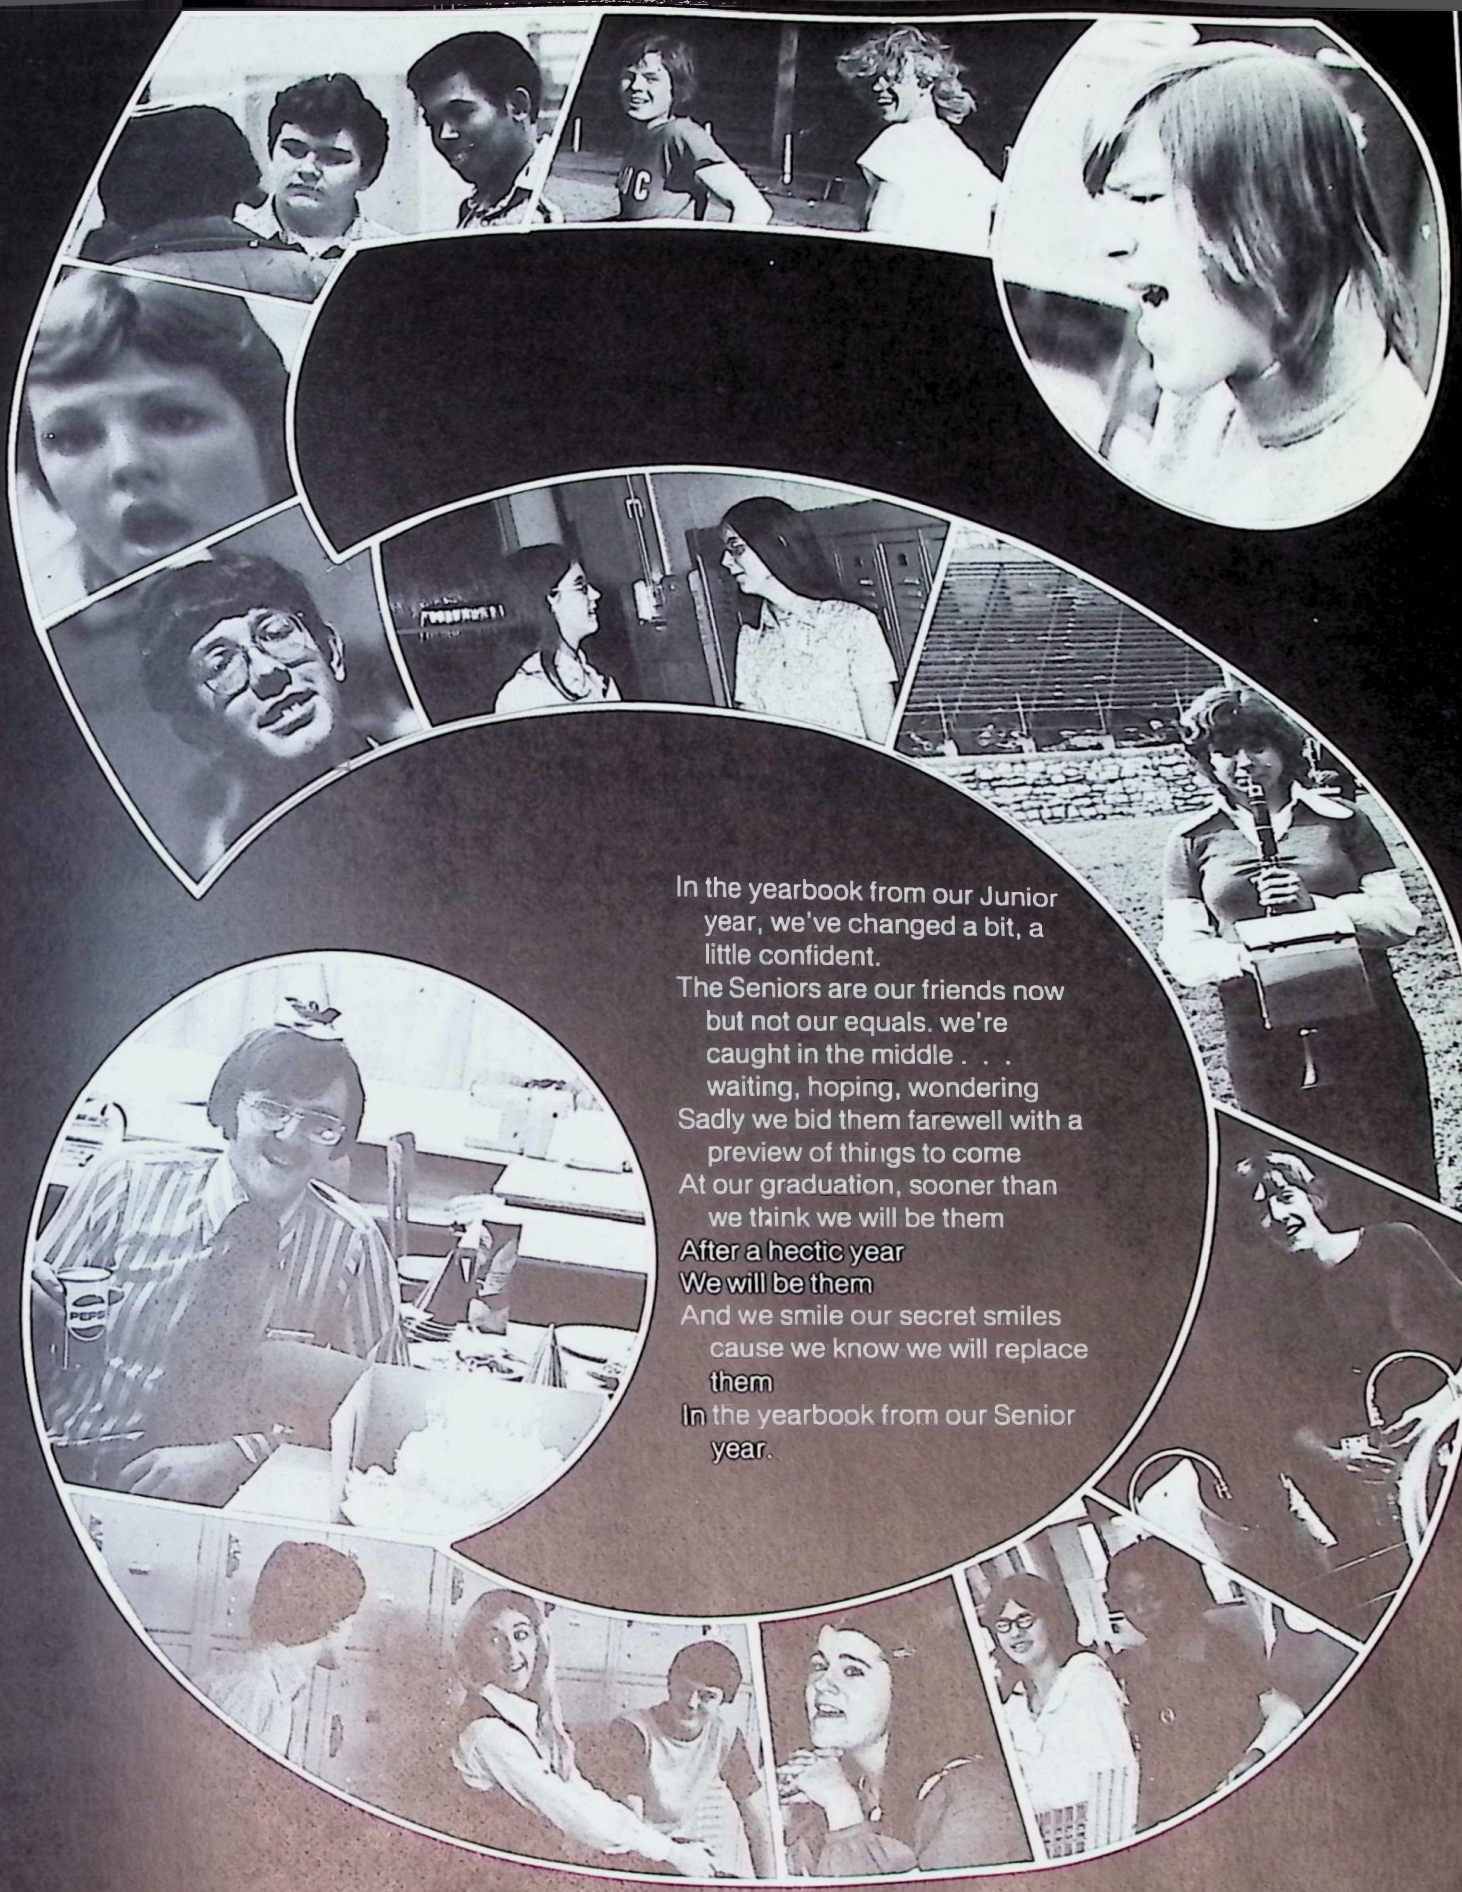
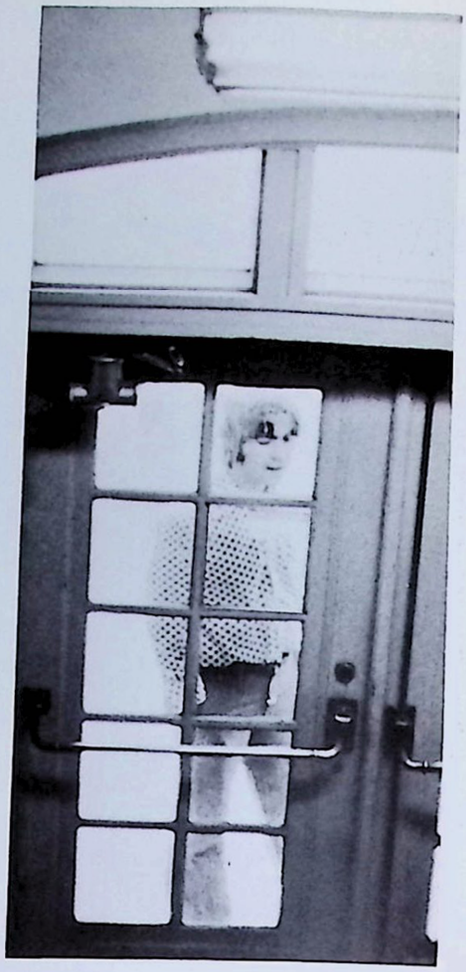
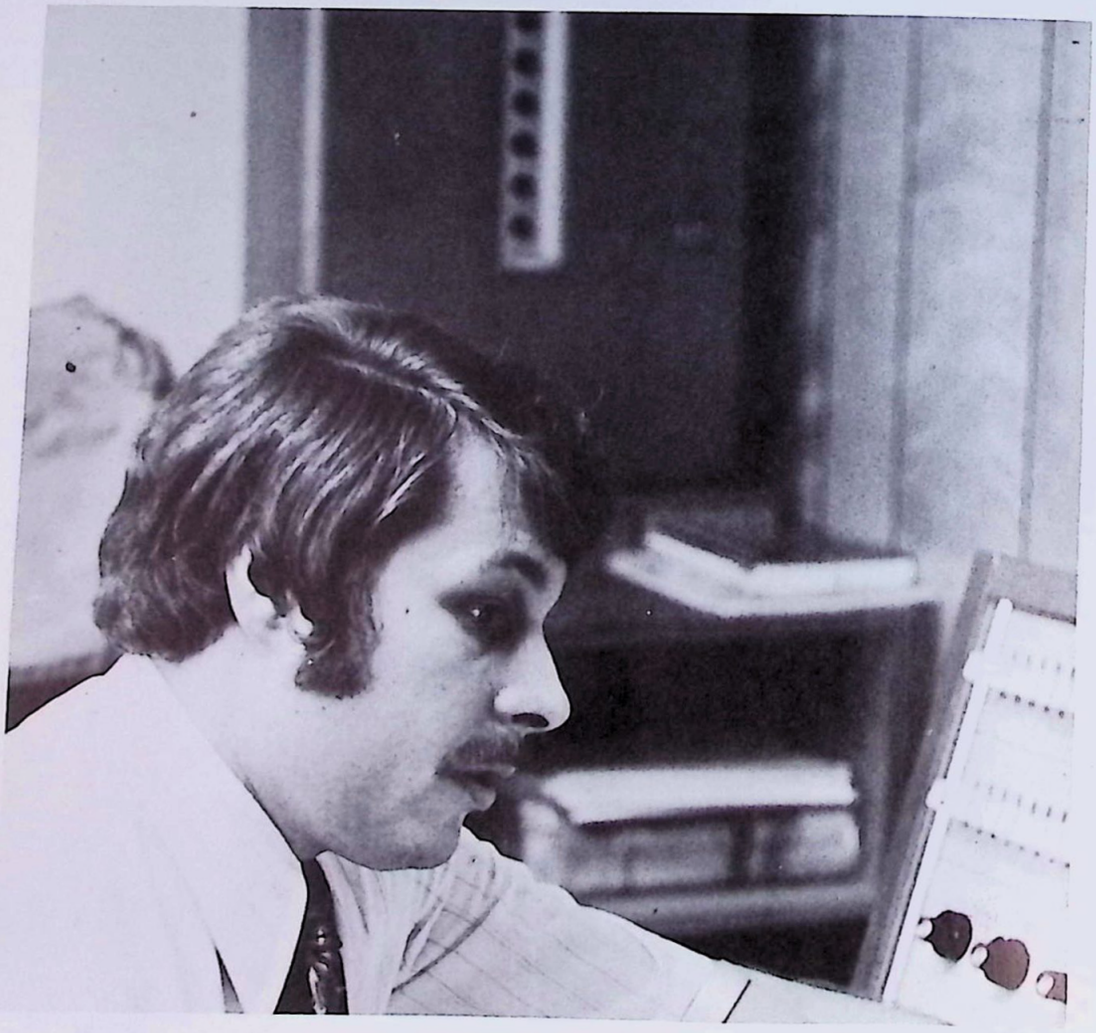
In the yearbook from our
Sophomore year, we seem so
young, so unsure.
The seniors tower, looking down
upon our looks, our actions,
our speeches and we agree.
But now they are gone from
here. All that is left is their thin,
paper images, bragging,
smiling and we are them
The names are changed, But we
are them.
Soon too, only ordered chaotic
spots of ink will be left of us,
In the yearbook from our Senior
year.



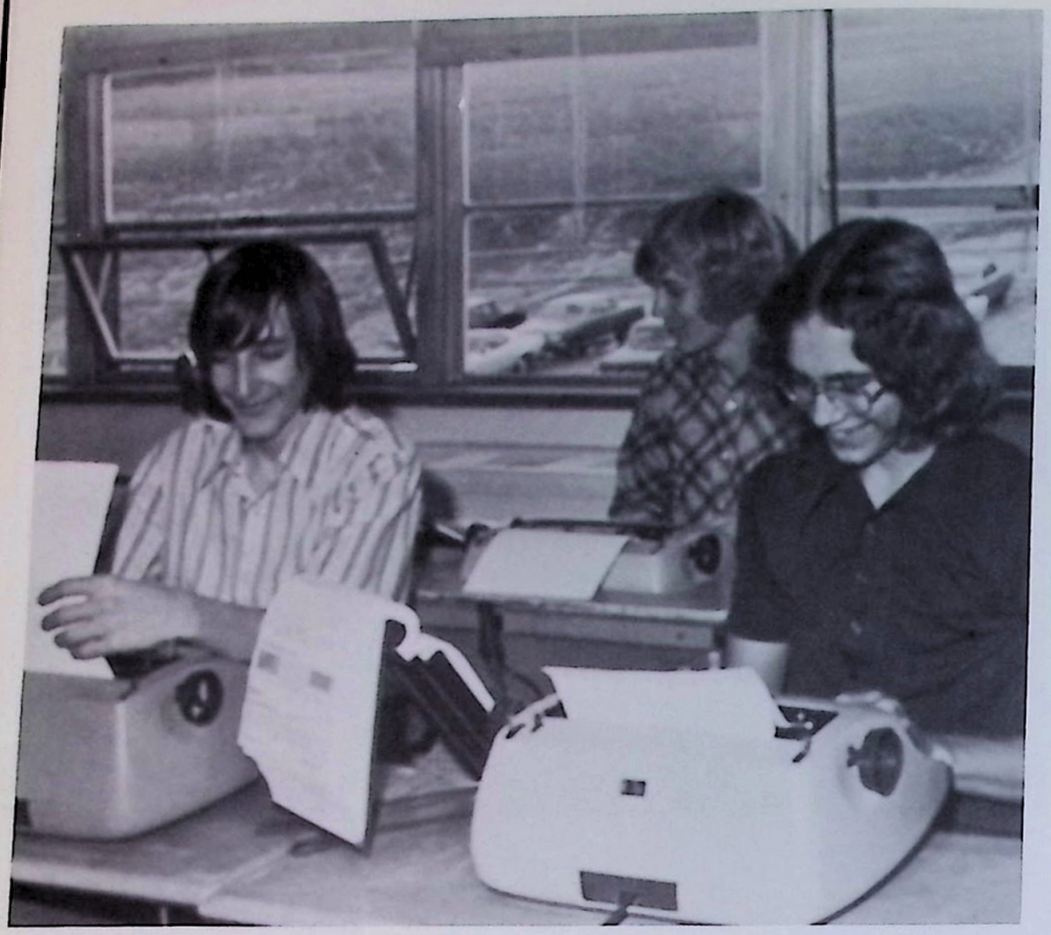
In the yearbook from our Junior
year, we've changed a bit, a
little confident.
The Seniors are our friends now
but not our equals. we're
caught in the middle . . .
waiting, hoping, wondering
Sadly we bid them farewell with a
preview of things to come
At our graduation, sooner than
we think we will be them
After a hectic year
We will be them
And we smile our secret smiles
cause we know we will replace
them
In the yearbook from our Senior
year.

The creaking doors of Southmoreland swing open to the beginning of the story of the class of 1975.





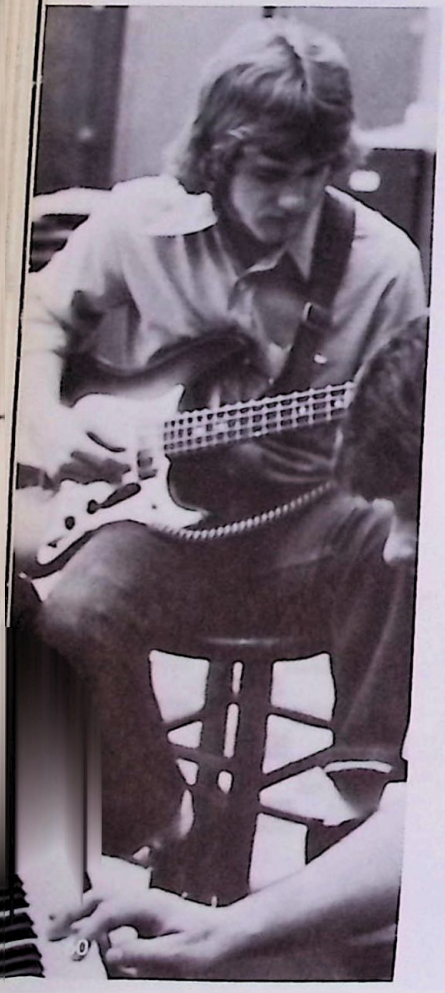
No one ever stopped smiling — even when their face hurt!

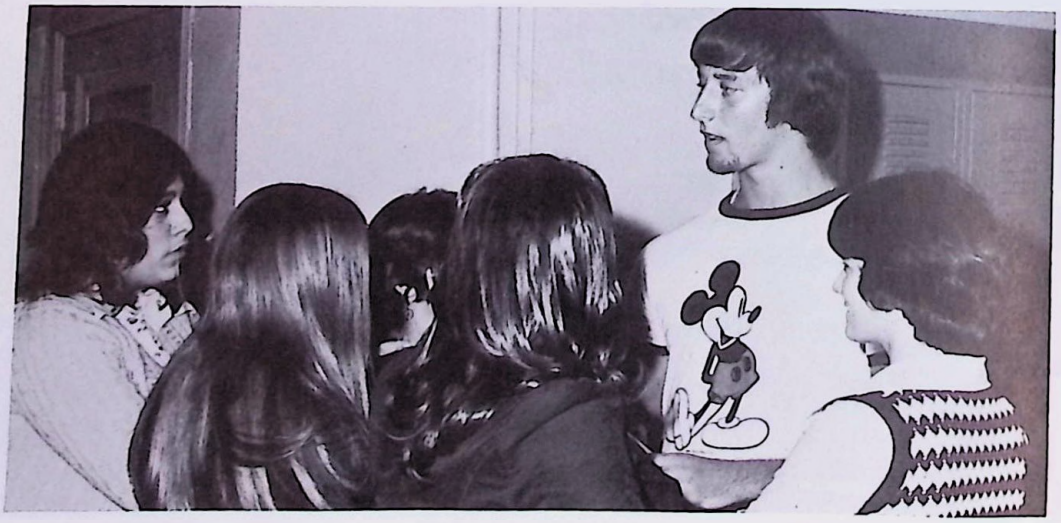


The classrooms came alive with students and faculty getting back in the groove.

The happy smiling faces proved that the work wasn't so bad after all.

Meeting old friends and sharing good times was a part of school tradition.





Lunch was a mixture of fast food, conversation, and a deserved rest.

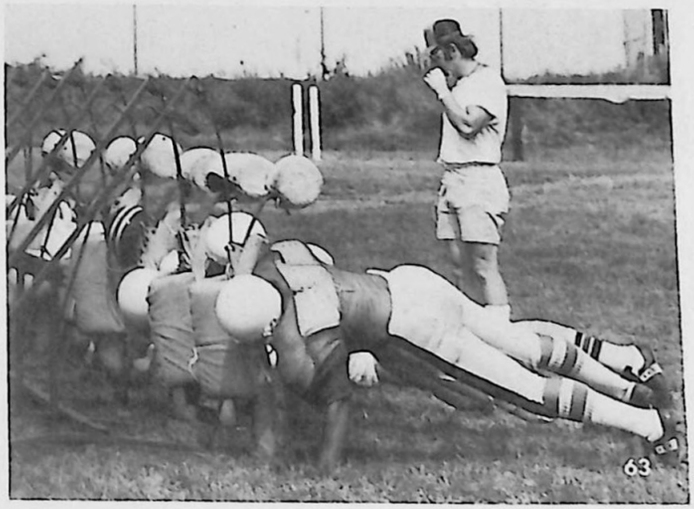
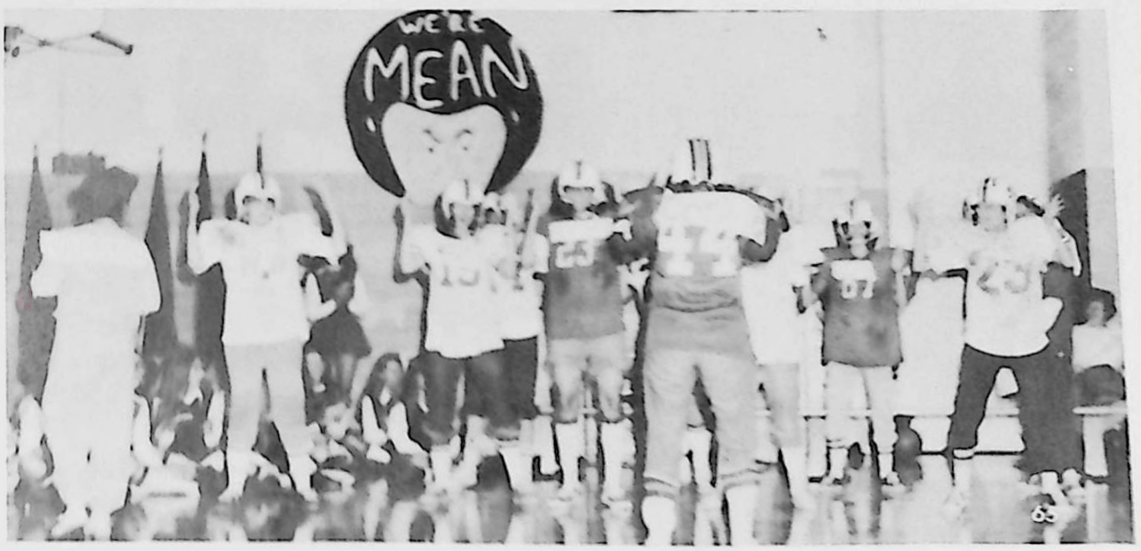
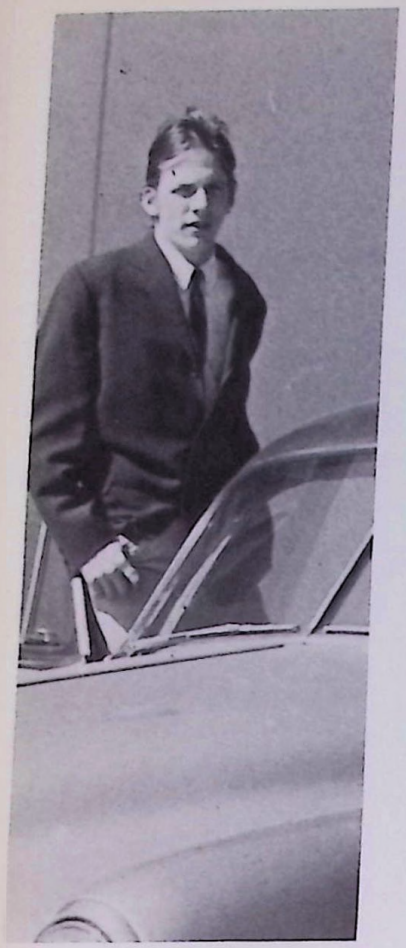
School's out but the superb Scottie football team and faithful band had just begun to work.

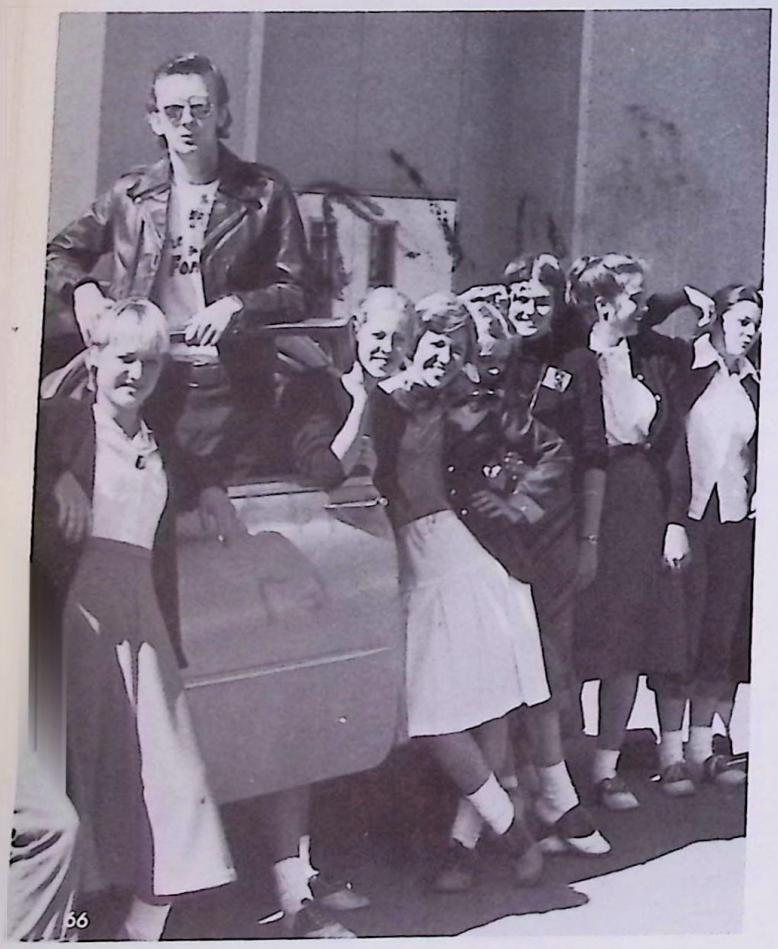


A new face was that of Vicente Marguila Martinez, the Exchange Student from Mexico. Vicente showed true school spirit. He laughed and shared in all our special times.

Southmoreland is in its red and black and the gym was filled with spirited shouts.

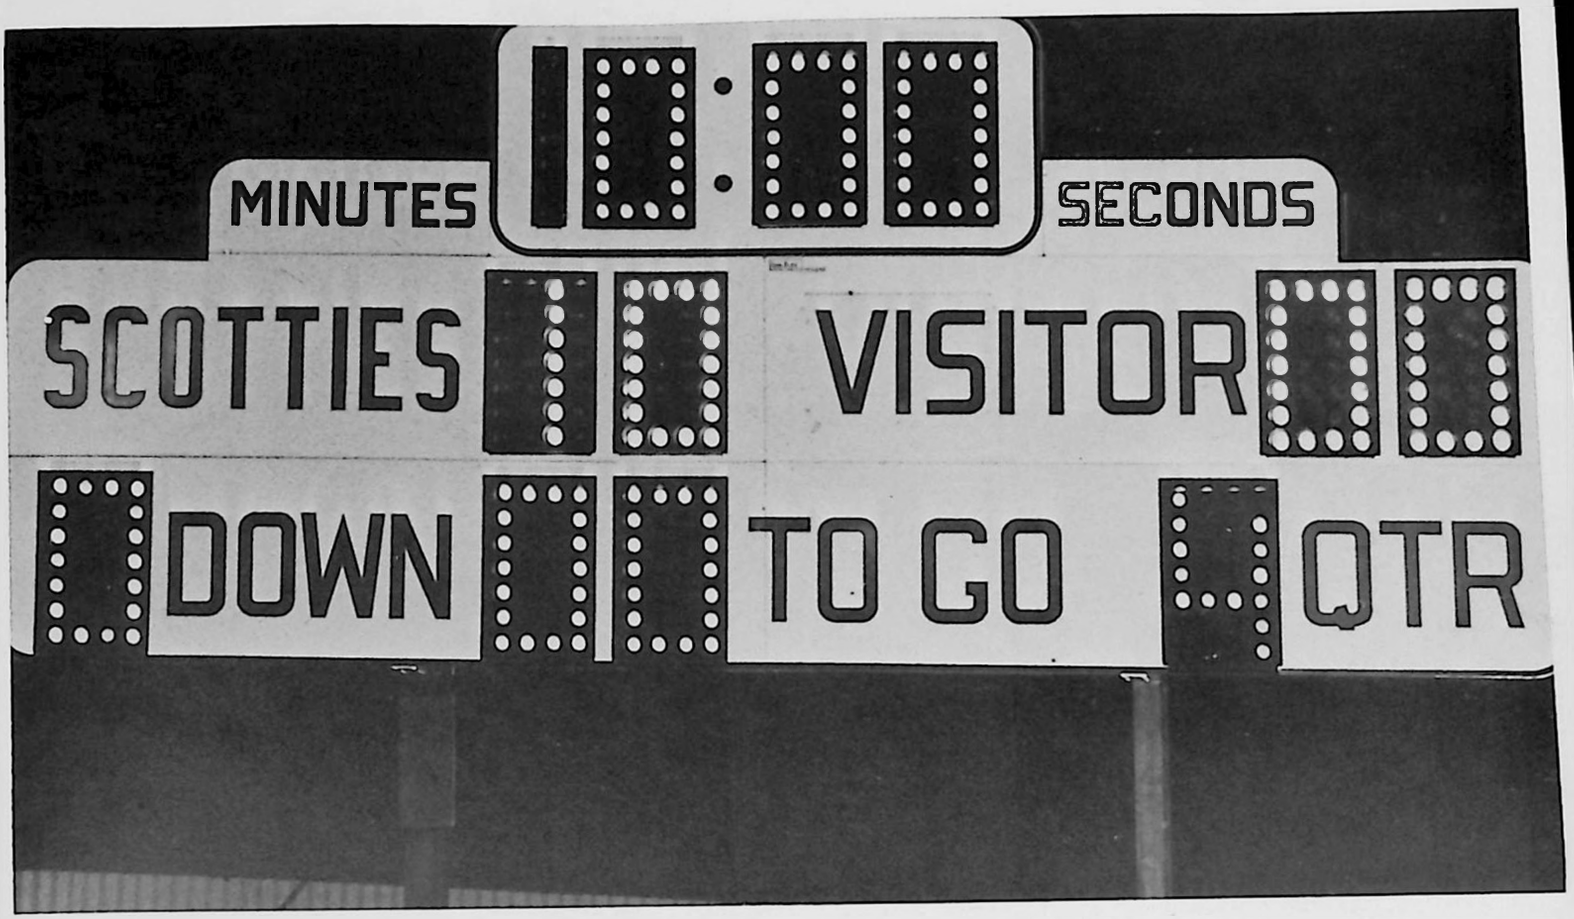


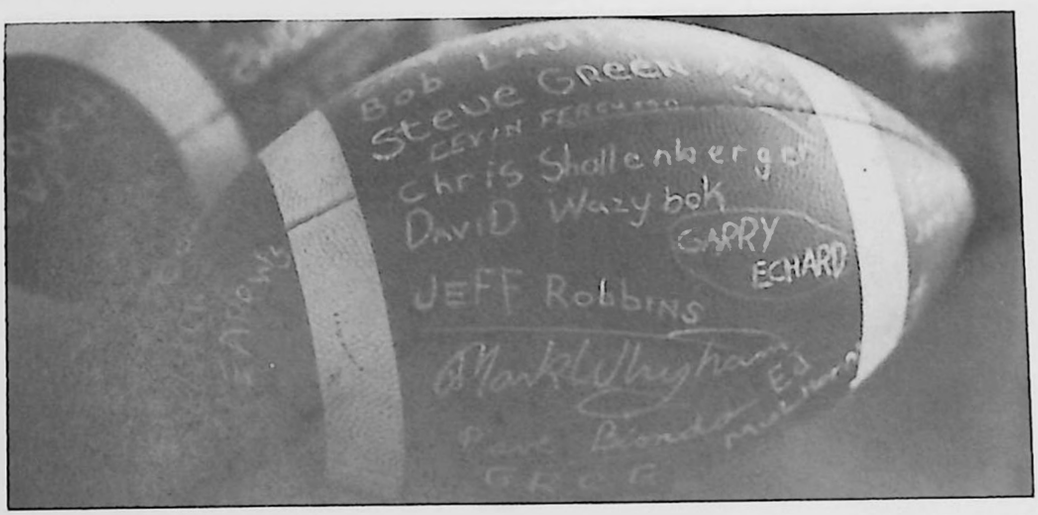


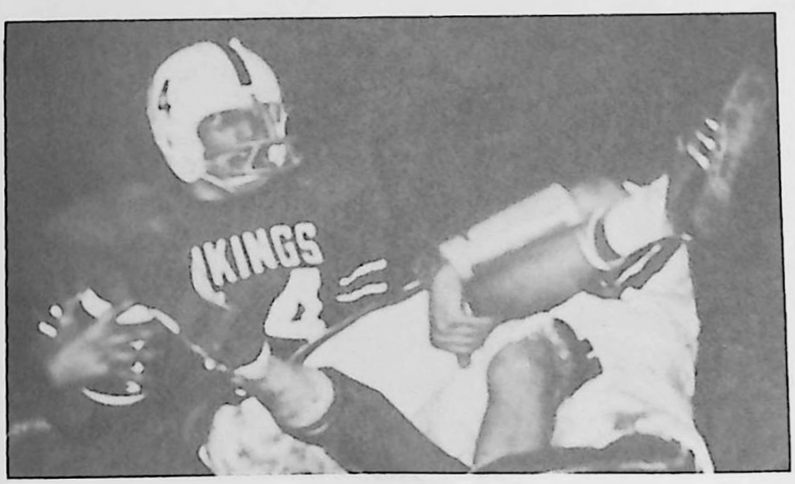


Pep rallies of all kinds.

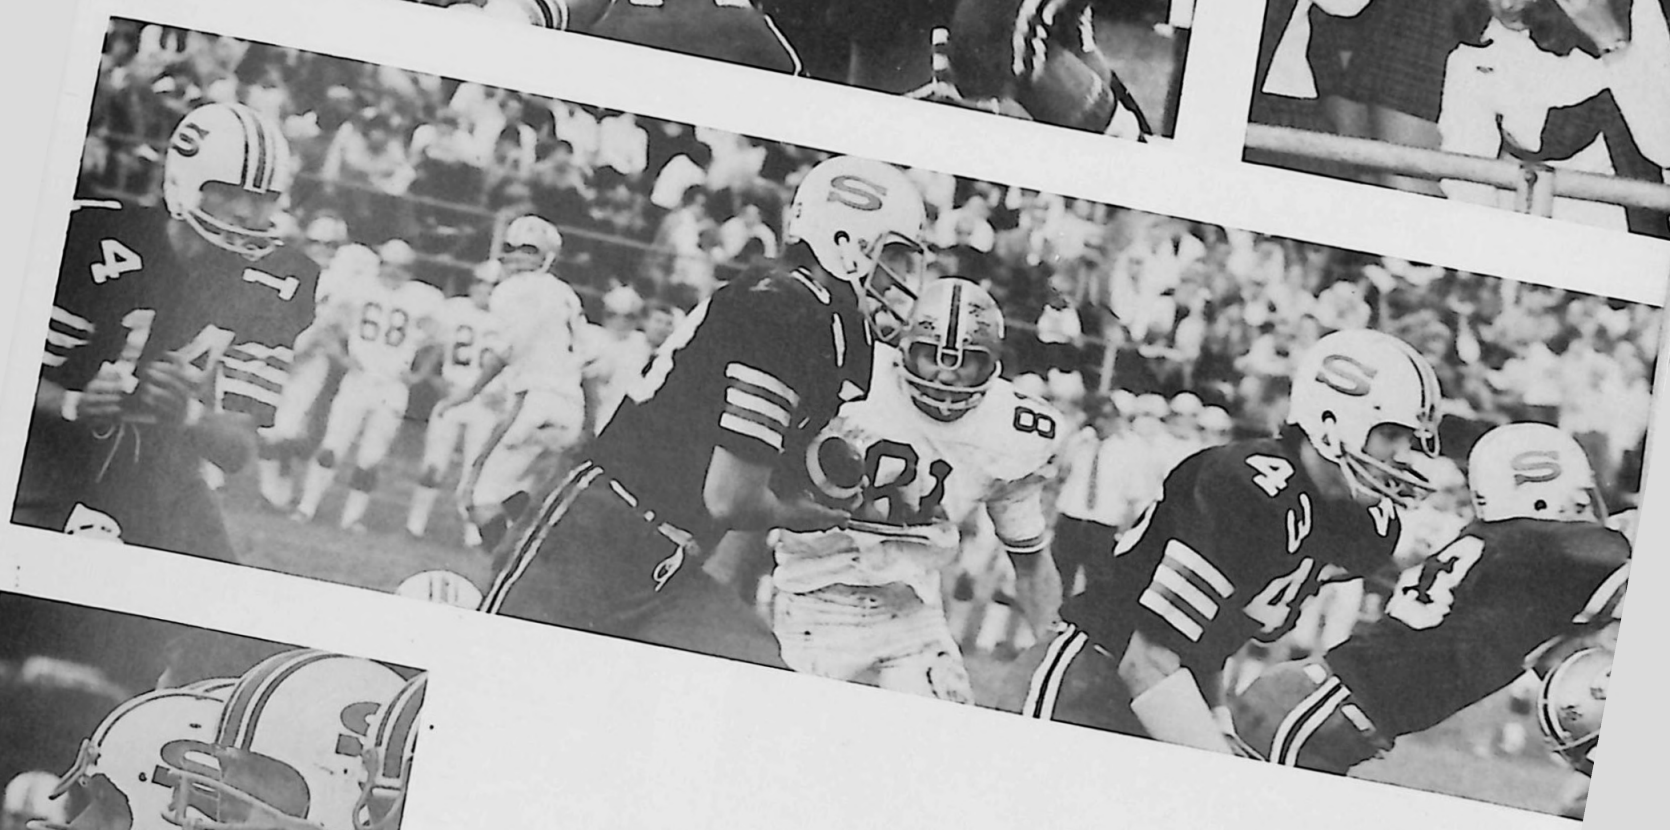
Takin' Care of Business

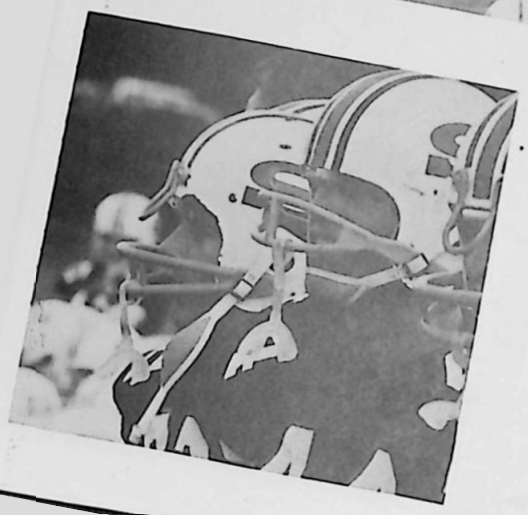






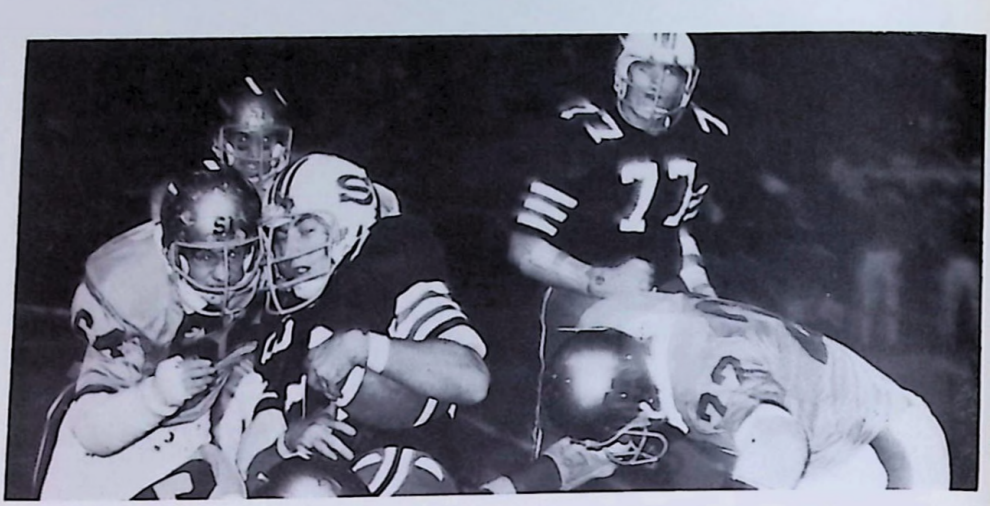
The 10 year jinx of Mt. Pleasant is at last broken.

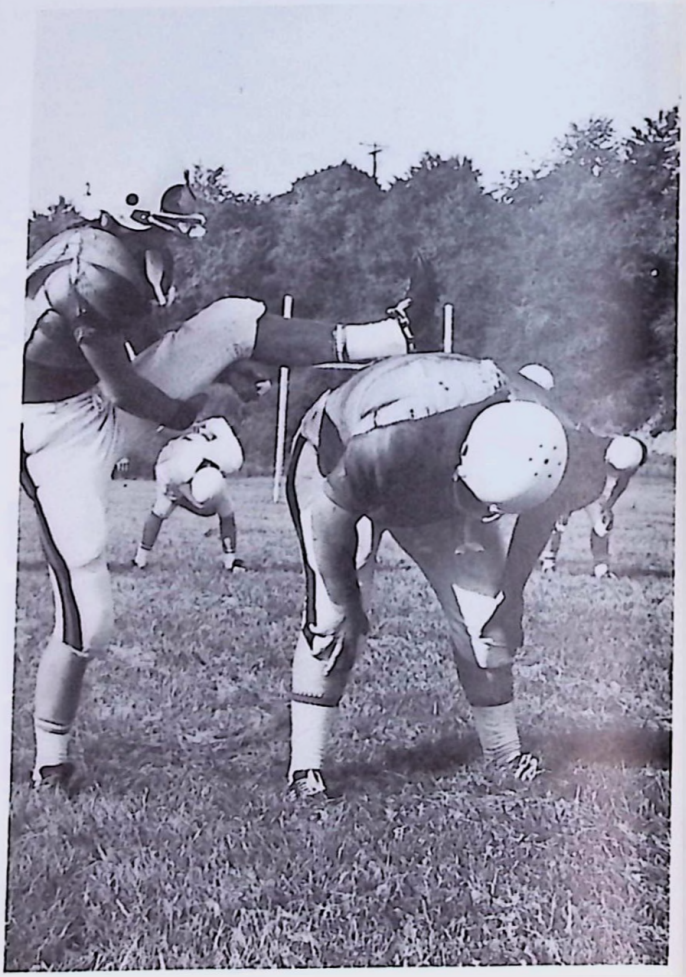




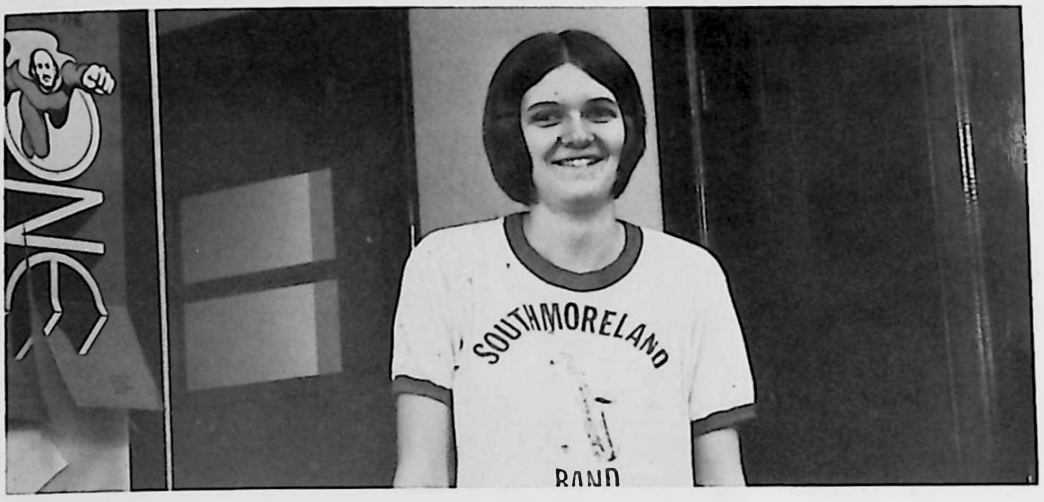
The will to win!

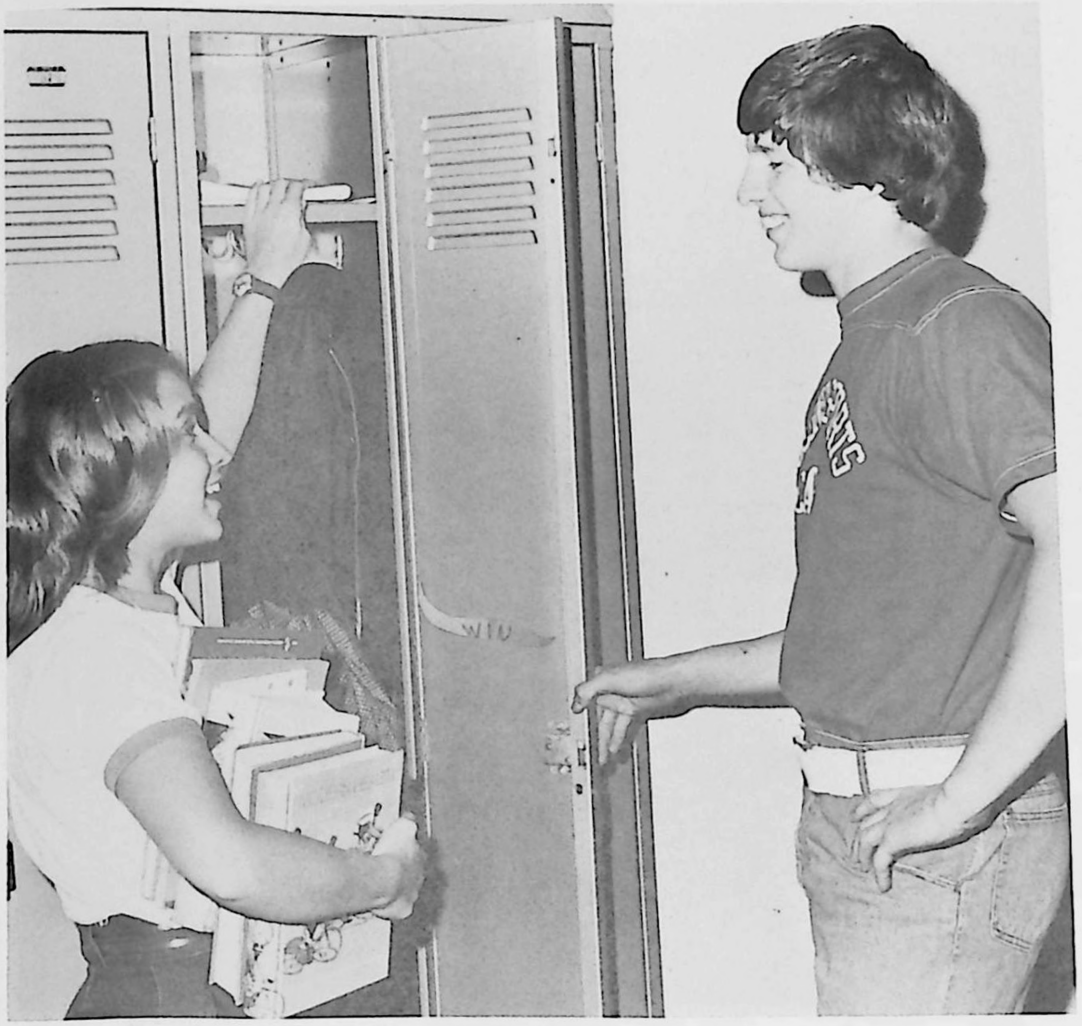
The spirit and pride of Southmoreland.





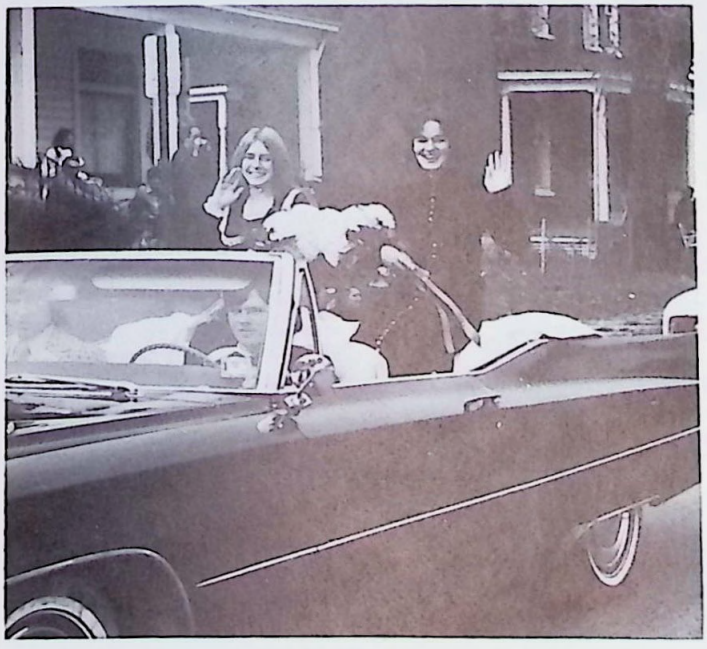
Honoring the football team in various outfits.

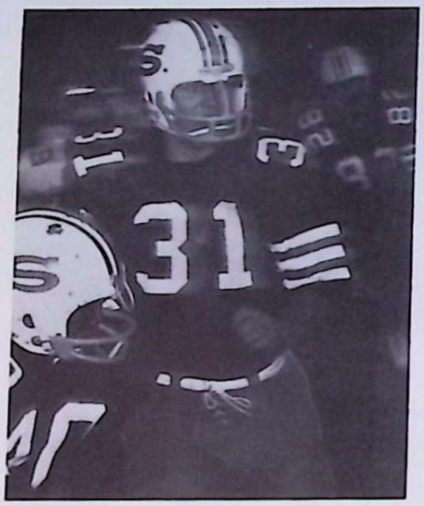




Homecoming — after many sleepless nights the floats made the best parade ever!

CONGRATULATIONS QUEEN SANDY

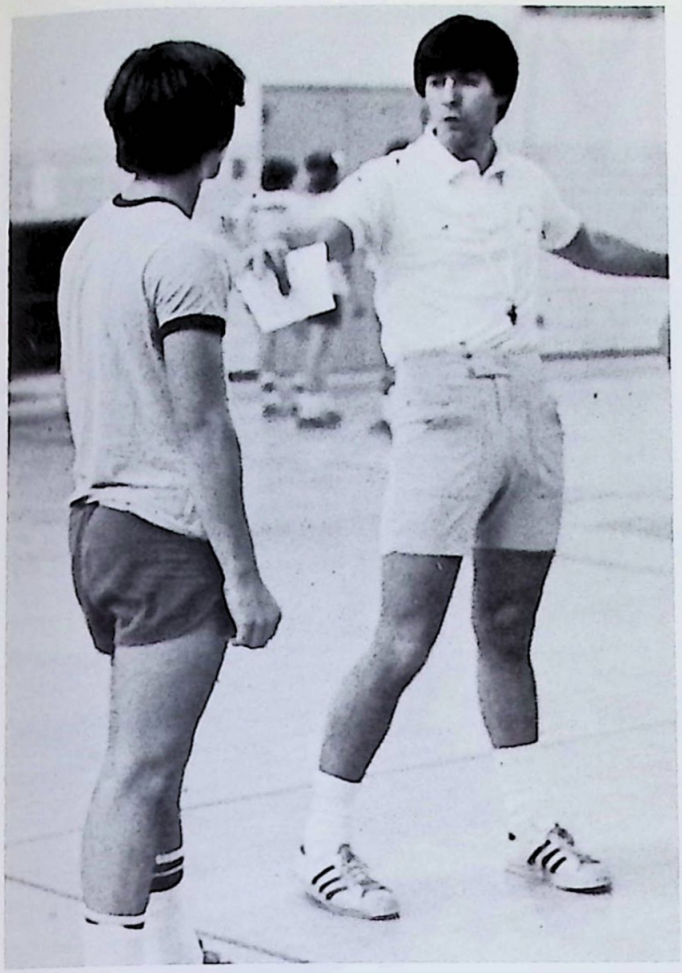




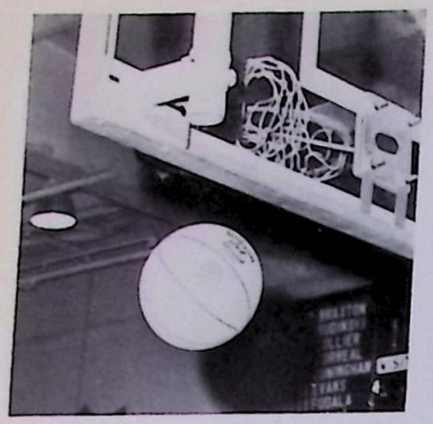
An evening of an excellent game and distinguished court.

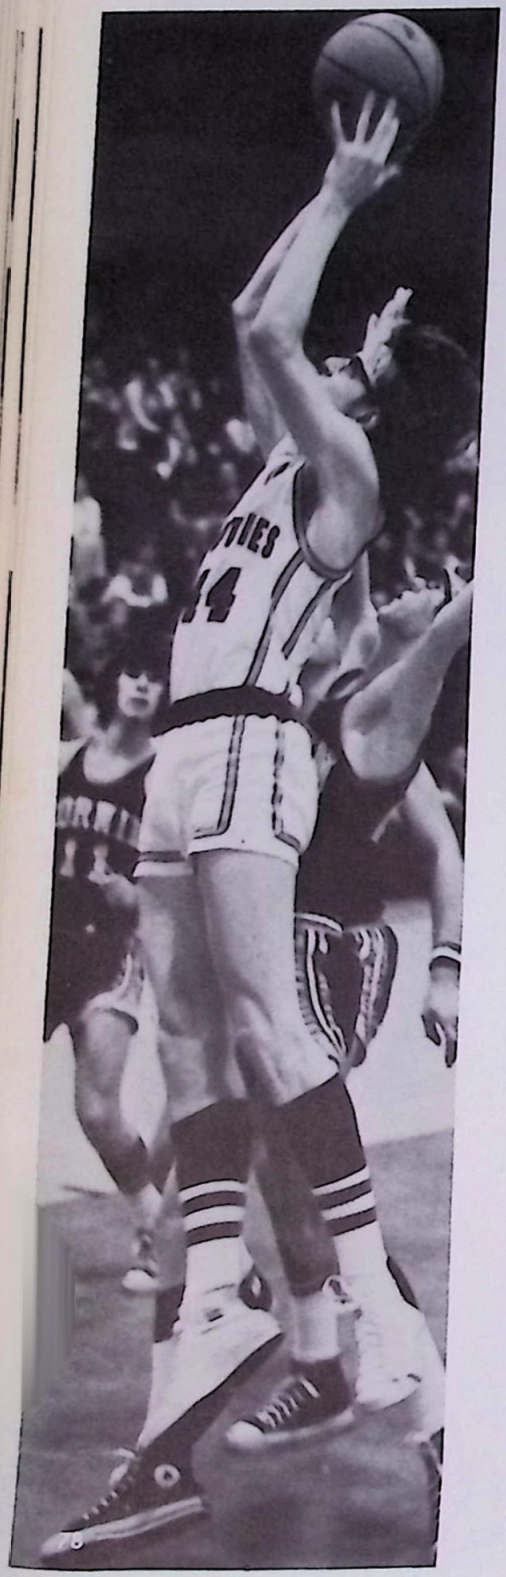
The Student Council concluded the evening.

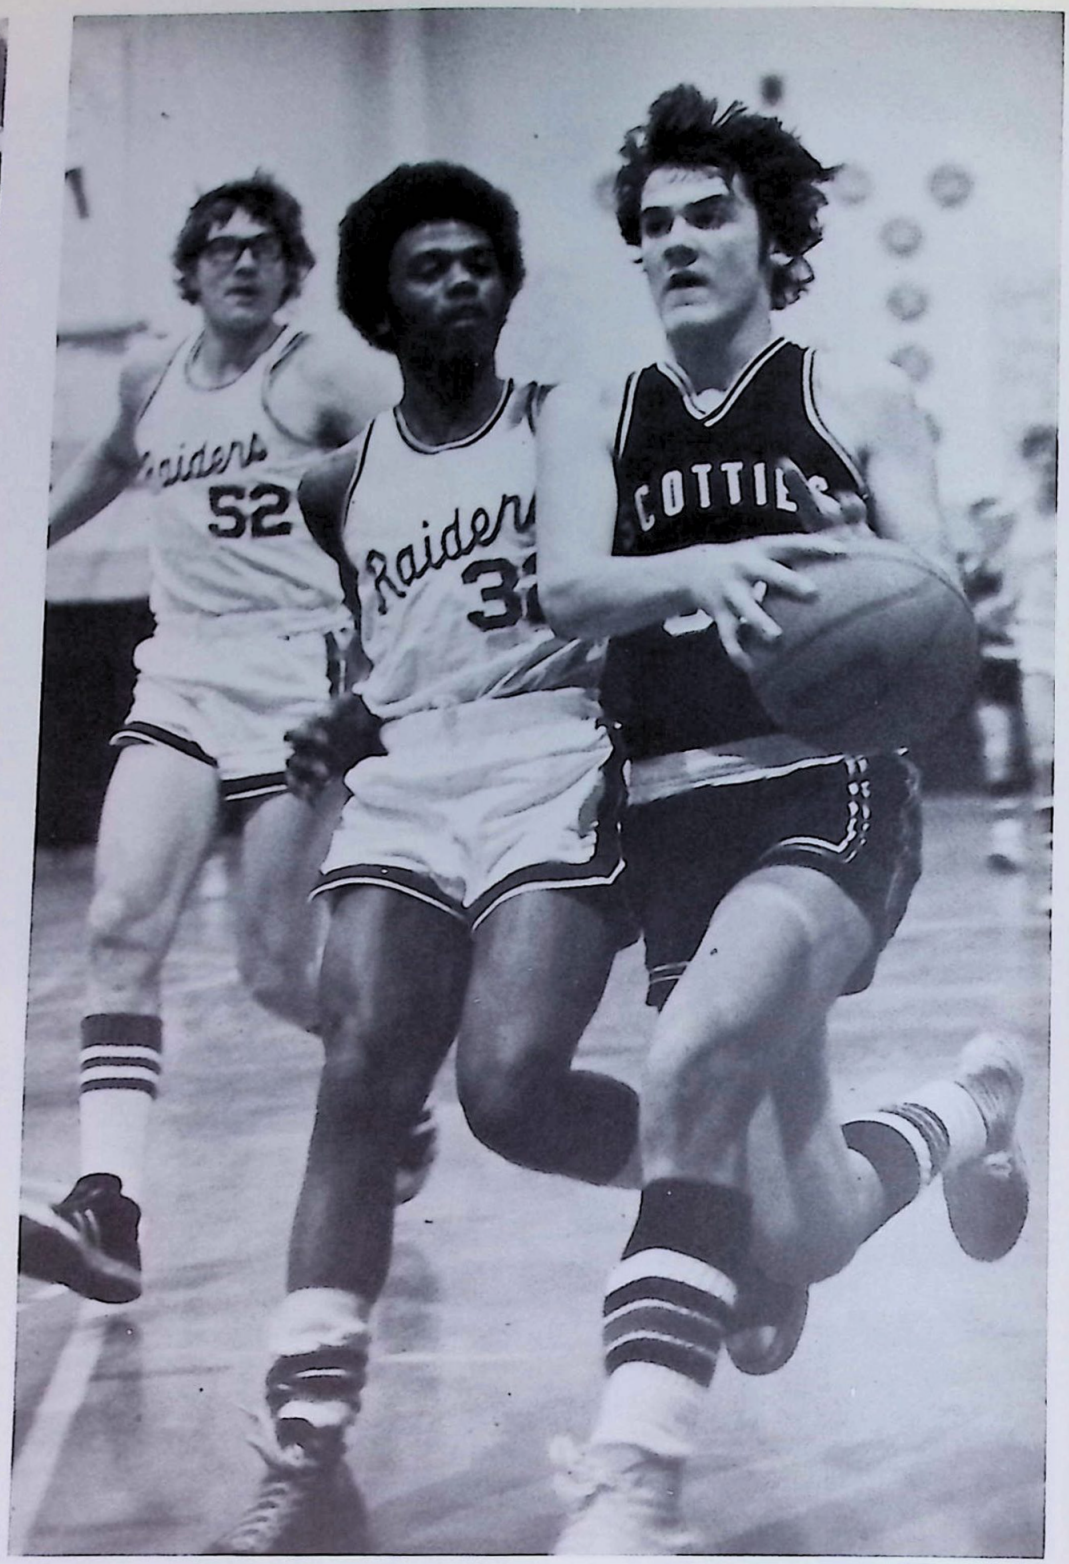
Another nerve racking open house came and went.



The basketball season brought with it a new Junior Varsity coach. The team struggled through a tough section.







Pushing for the basket all the way.

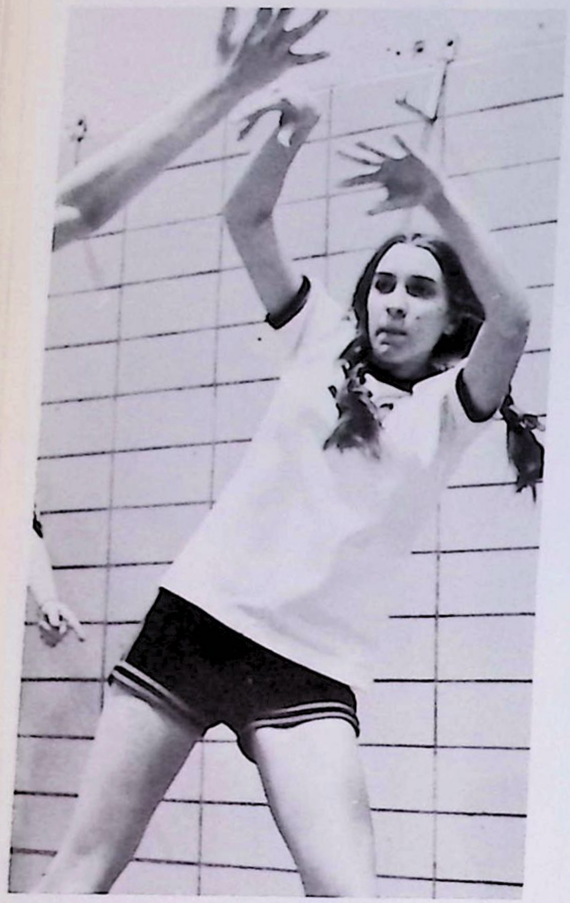
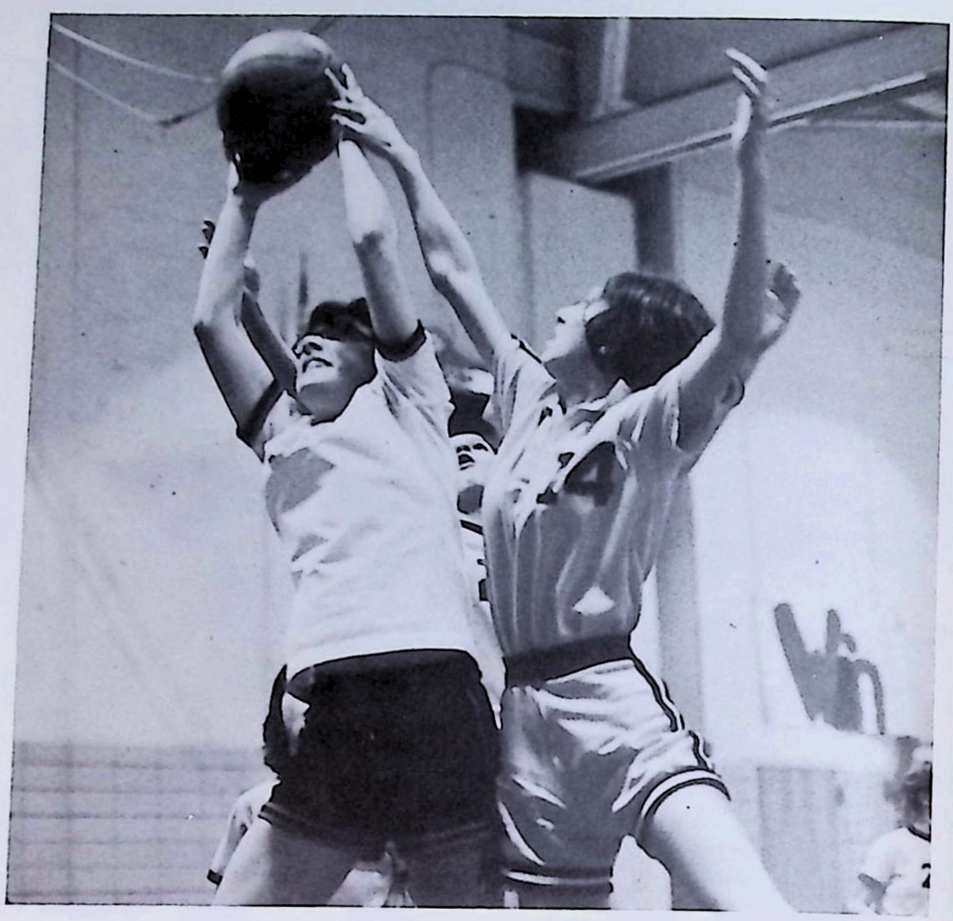
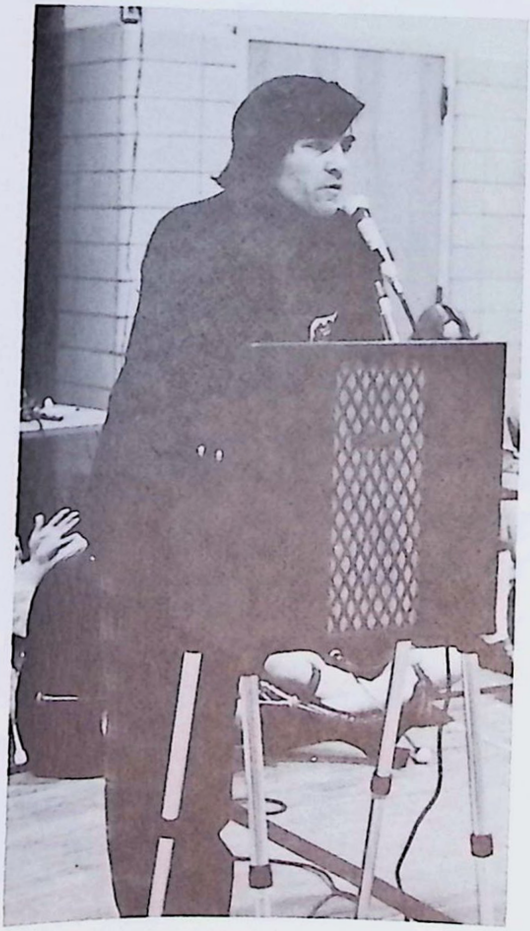
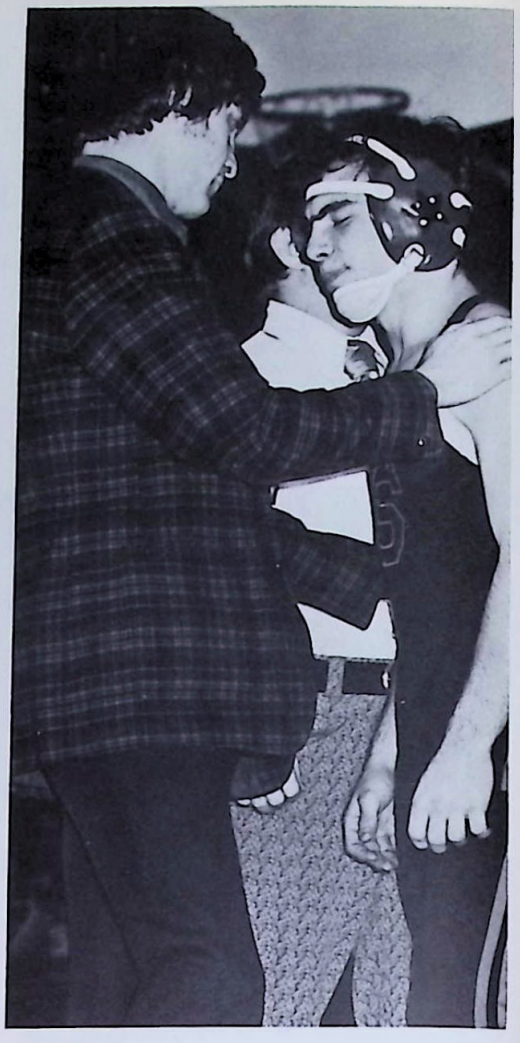
The Scottiettes took the courts complete with a new set of cheerleaders.

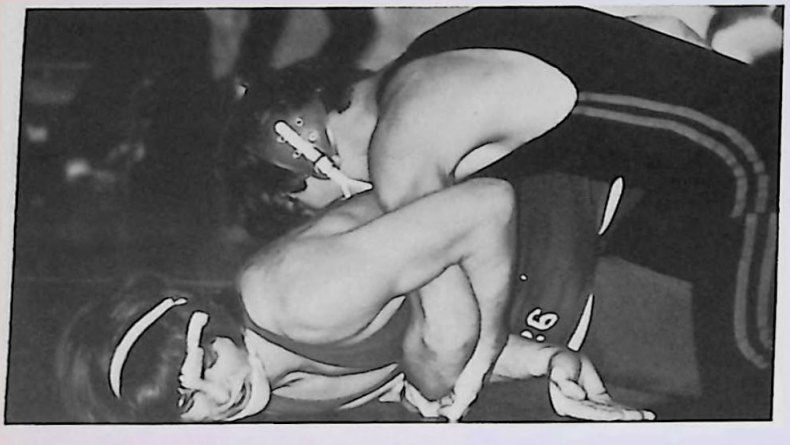


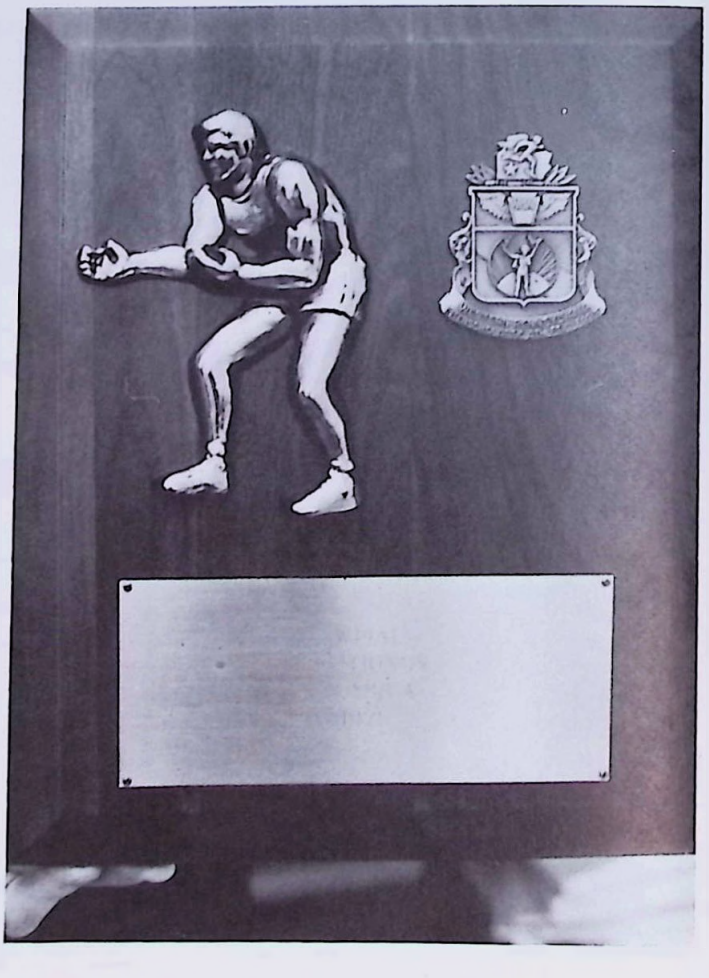


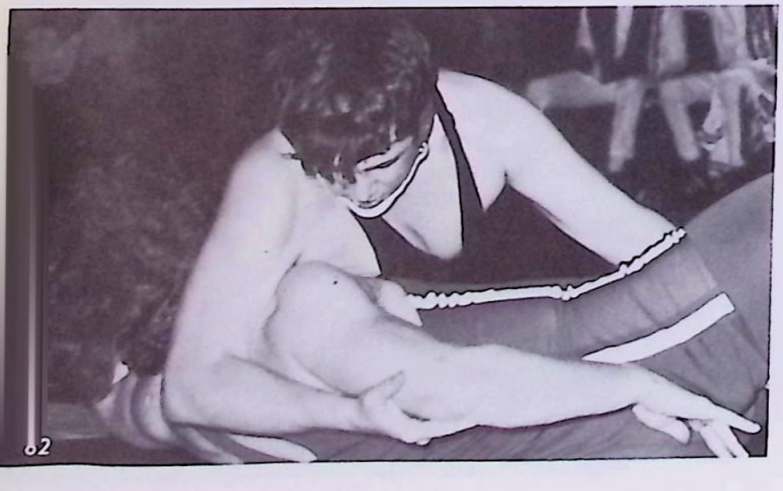
Long practices and determination create victories for the Scottie wrestlers.







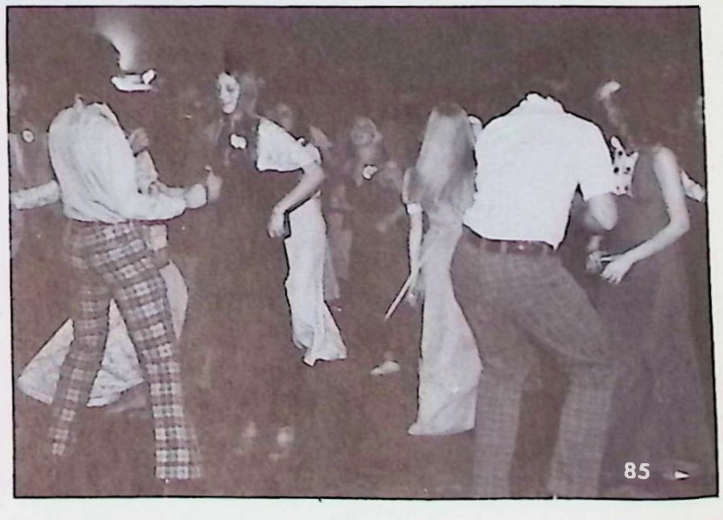


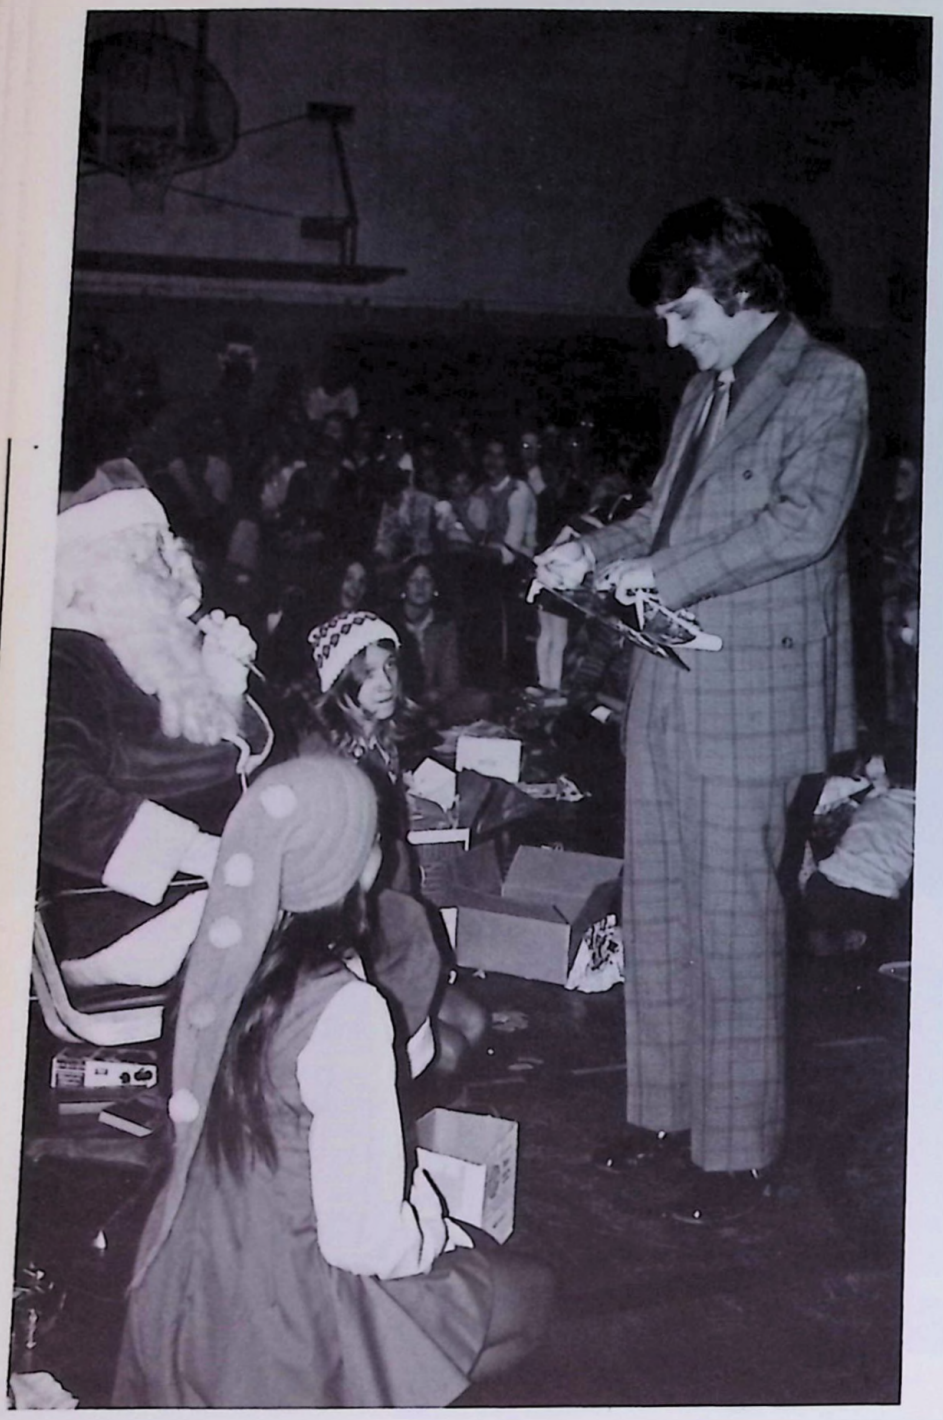


The rewards of victory.

The gym was mystically changed into a Snow Palace.

Dancing, eating mounds of food, and enjoying St. Nick made the evening a success for the Legend Staff.





Christmas came to Southmoreland along with Santa and gifts.

. . . concerts!

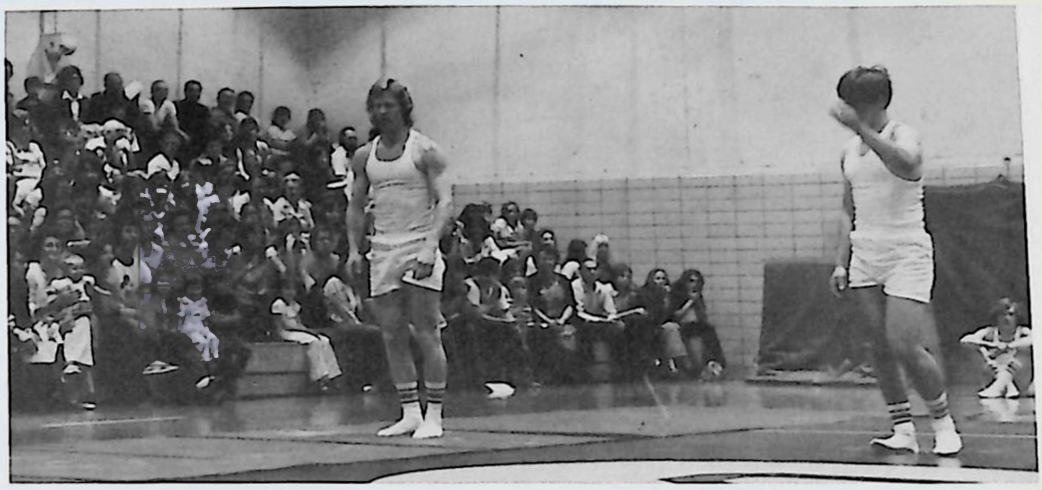
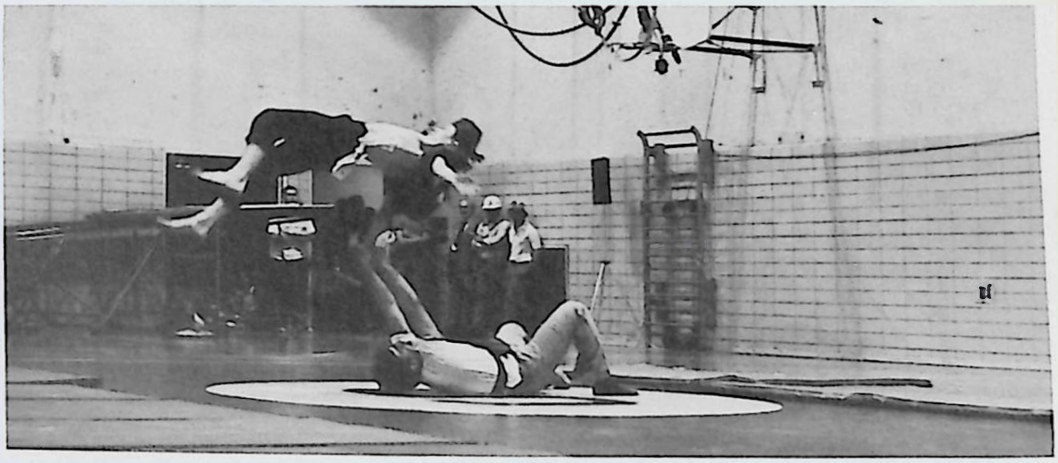
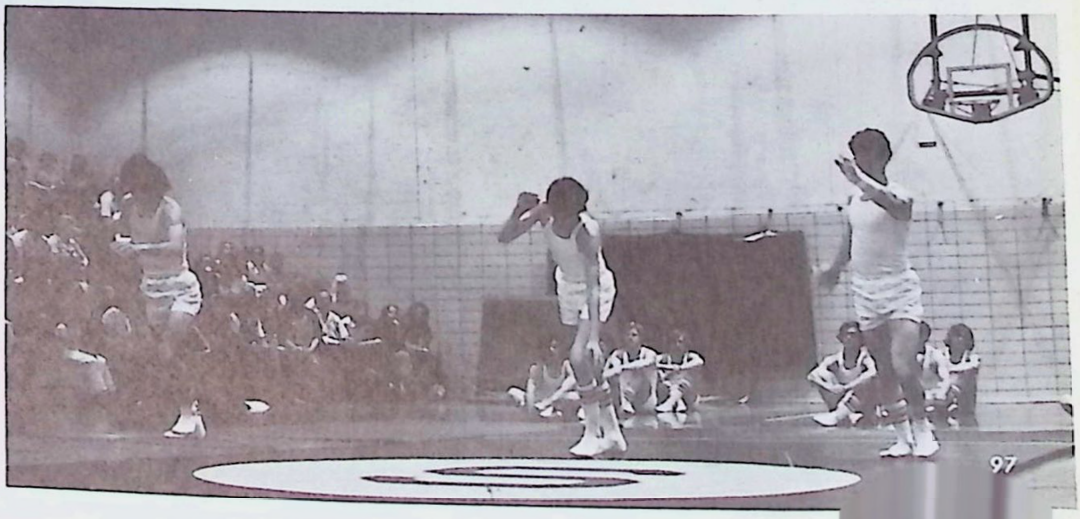
"Spotlight on Fitness" was our gymnastic variety show that turned out fantastic.





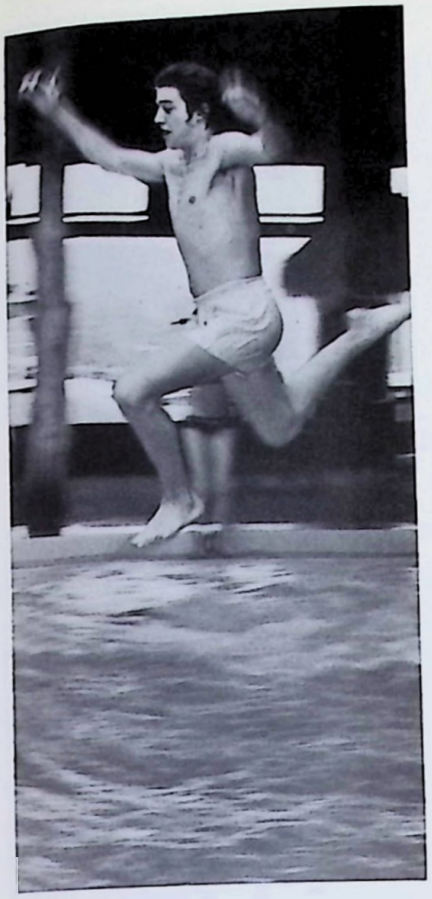


As the 1975 Class Day finally came, the gym was decorated in our colors and motto and all our friends were there.

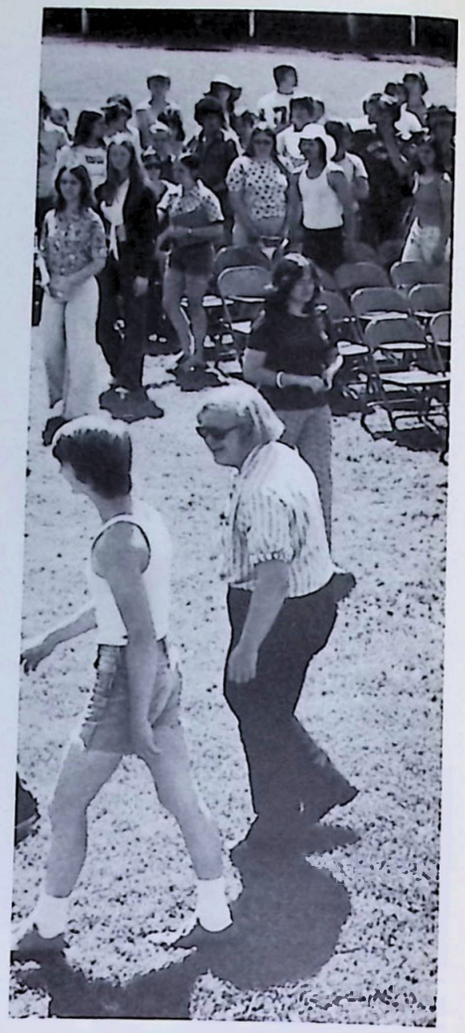
It was a day of awards, music, smiles and tears.

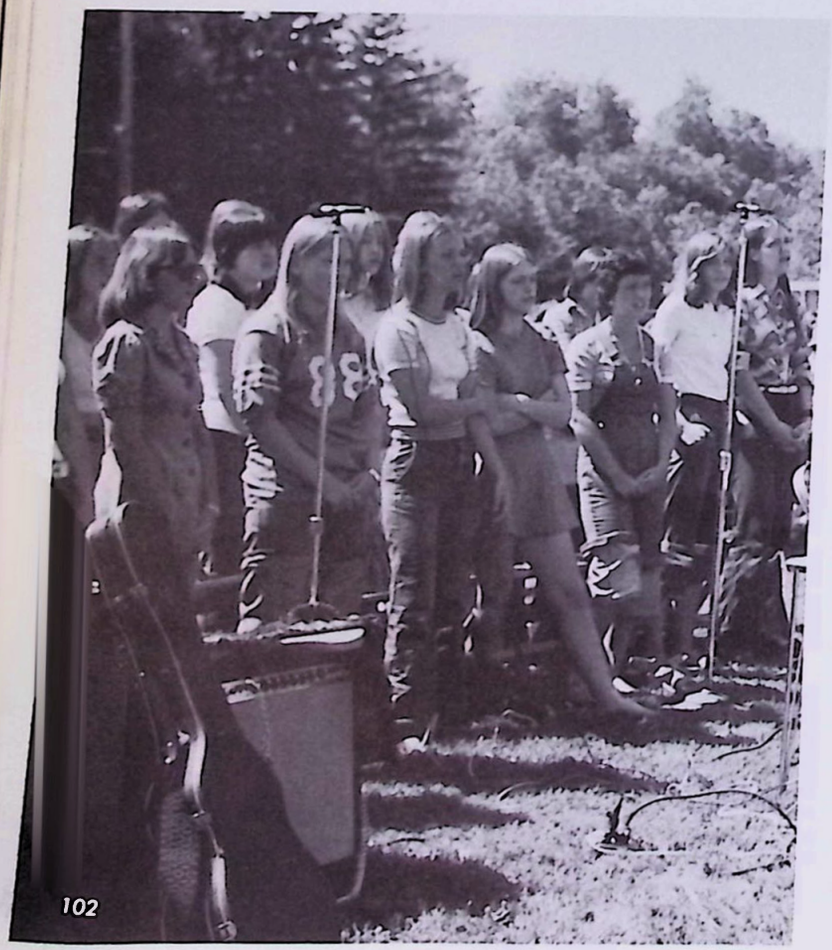
The afternoon at Seven Springs included a luscious banquet and easy livin'.

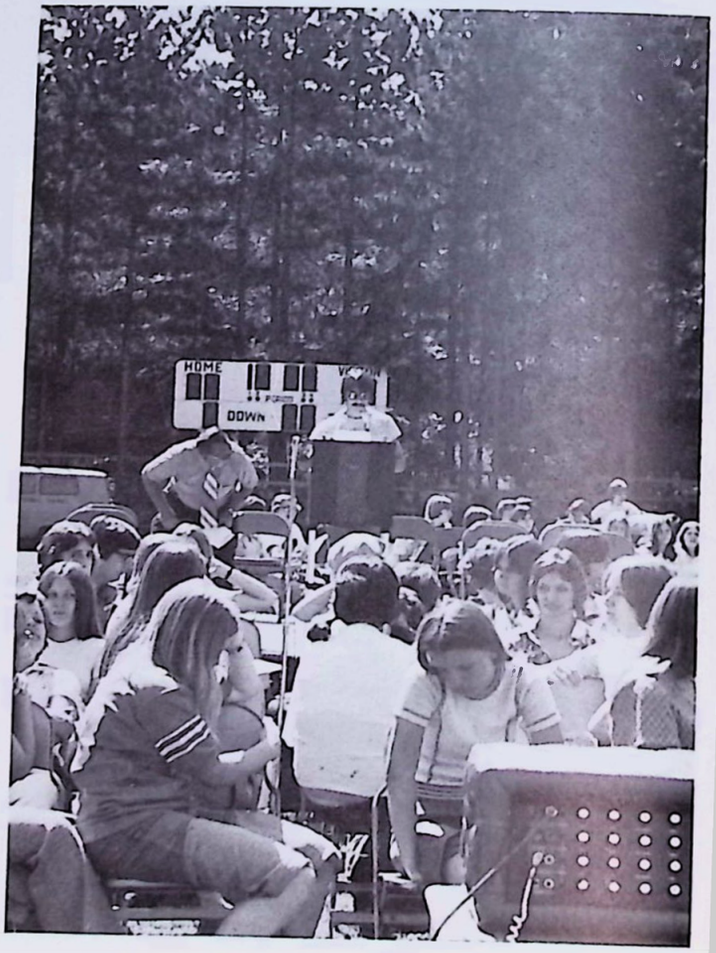
A perfect finish for the Class of '75.

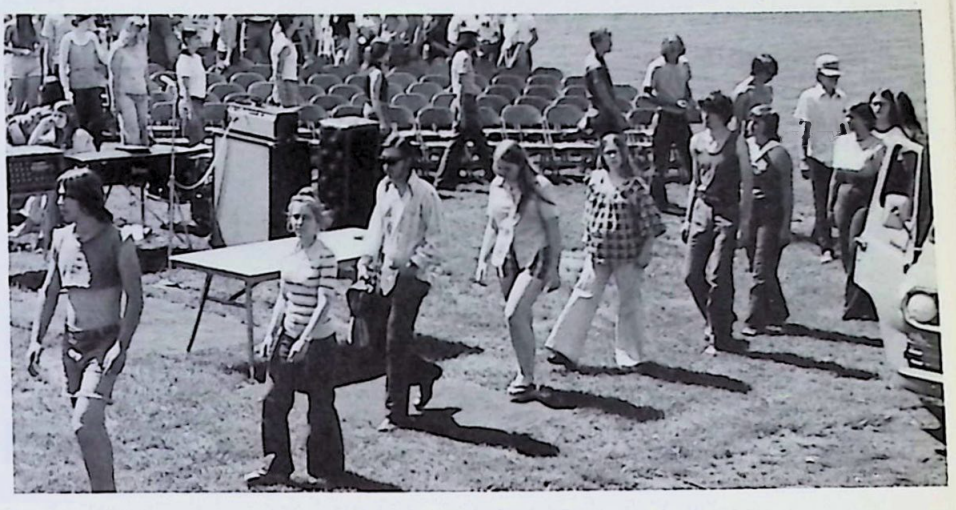


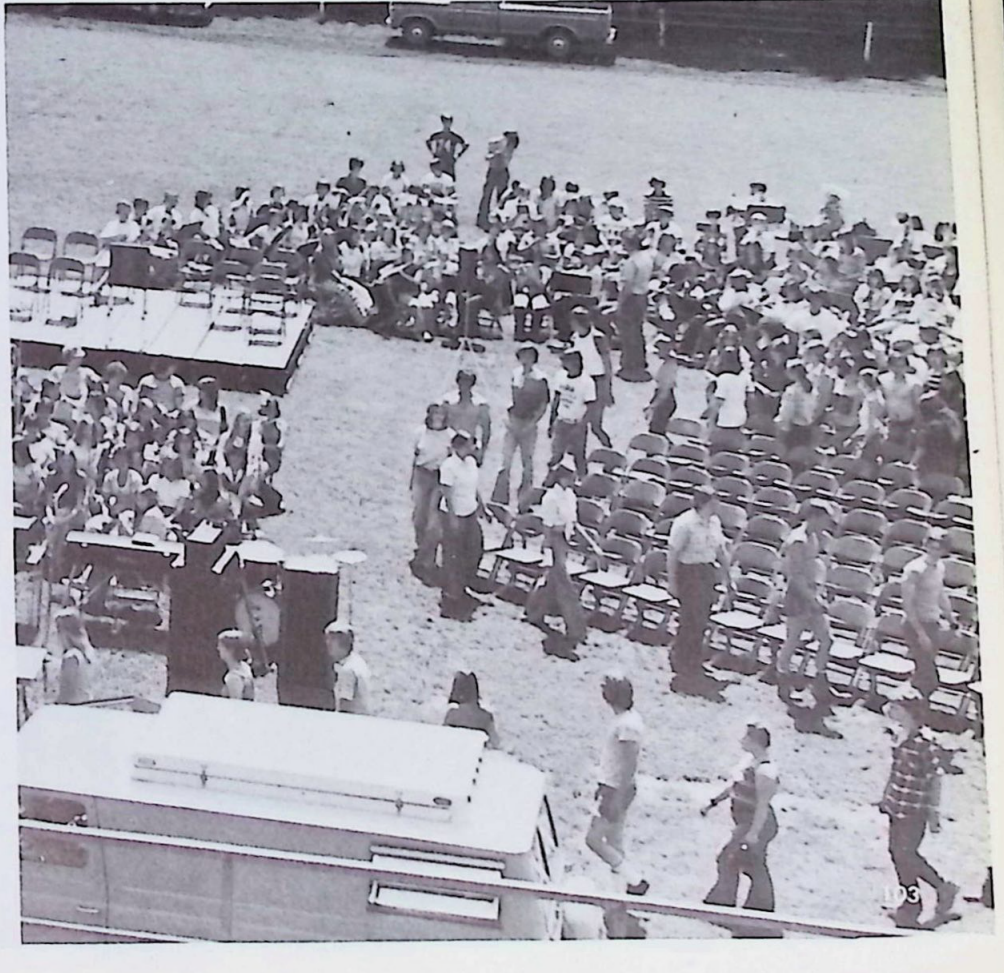
The long practices brought Commencement a little closer.

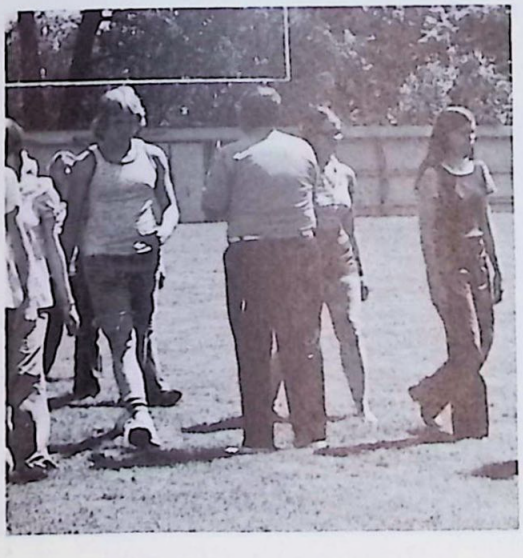




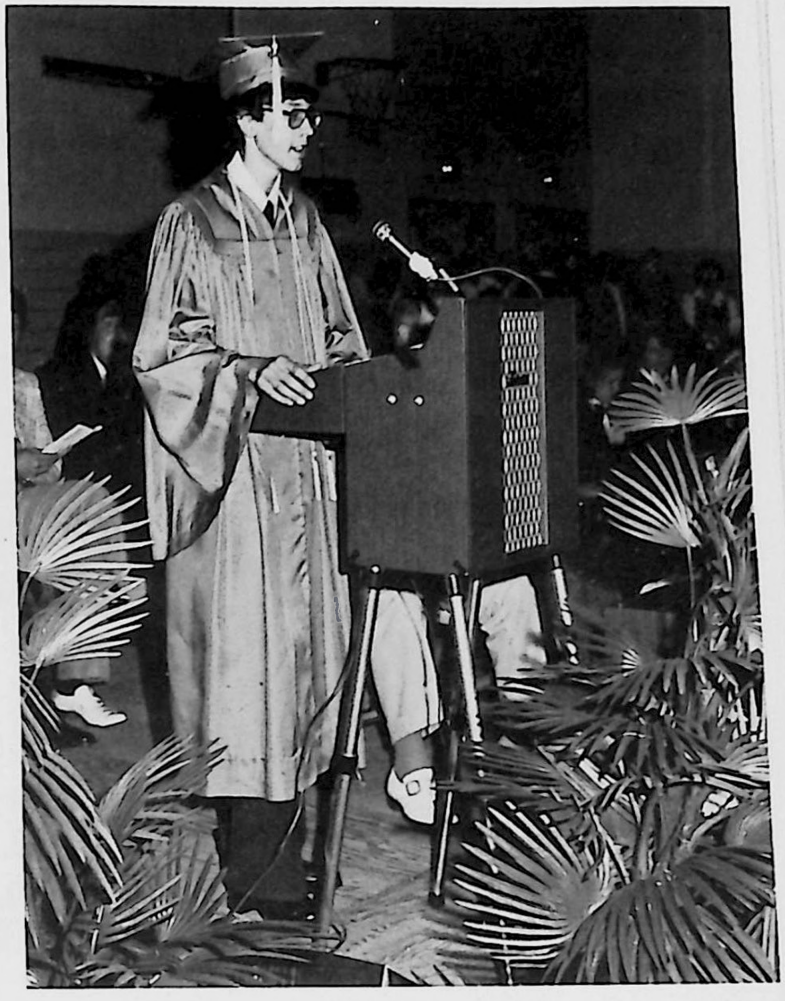


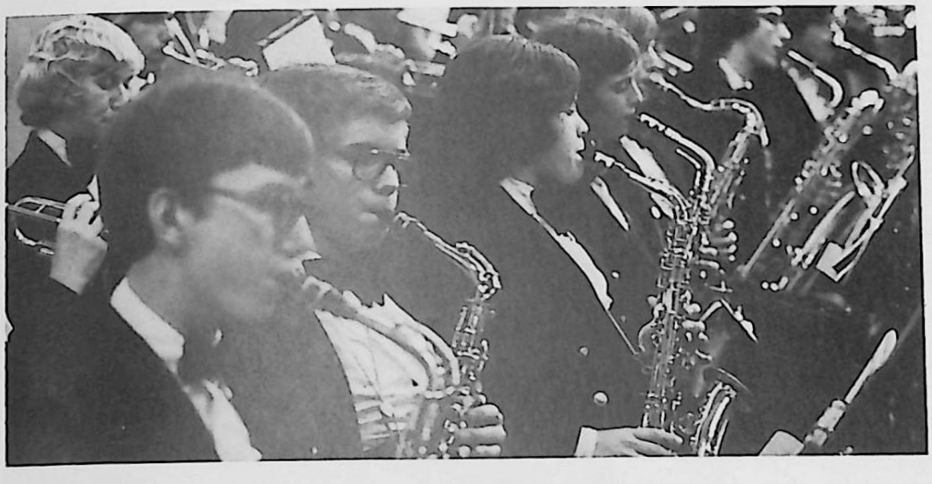


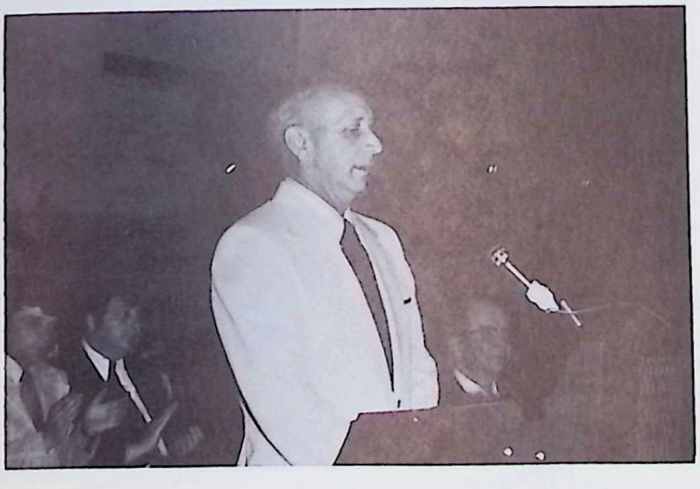


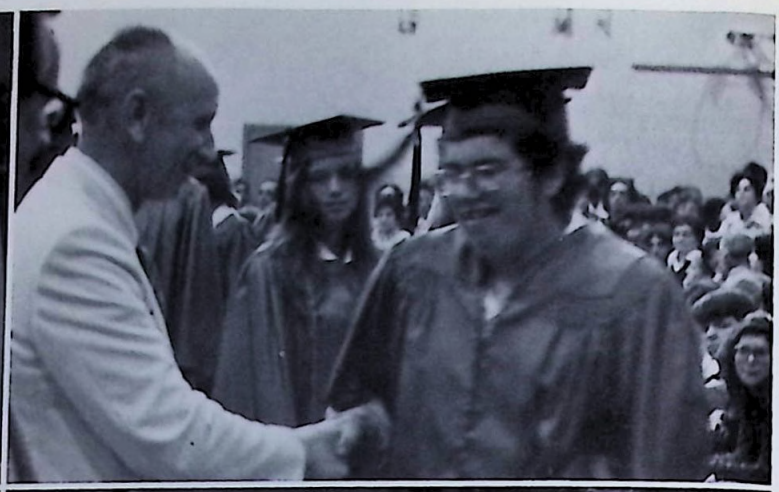


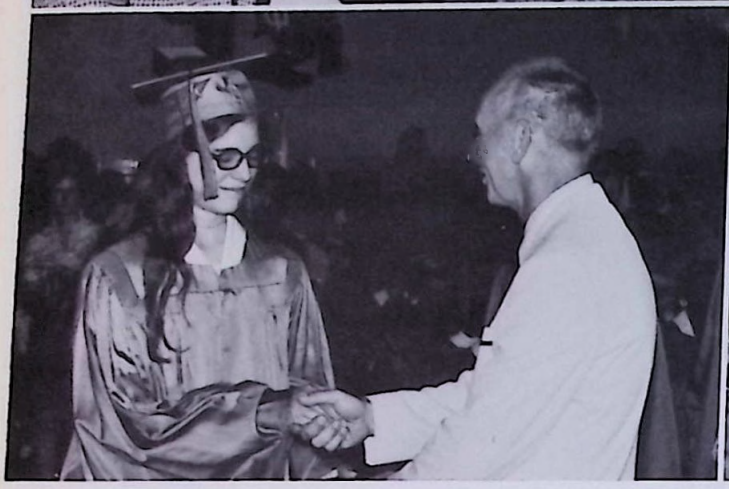
May 29 the rain forces everyone in the hot and crowded gym.











Farewell . . . You will not remember me but I will remember you . . .

ALMA MATER

Hail Southmoreland, the school we love,
We have strived to honor you,
Our hopes, our victories that we treasure you,
In our hearts will still be new.

Our banner red and black we proudly raise
Forever symbolizing high school days,
O Alma Mater, Alma Mater
Proudly we will sing your praise.

All hail Southmoreland, the school we love,
May our chorus always be,
A song which never will cease
To ring of eternal loyalty.
